Daphne Lejuez: Den mey aña di Parlamento nobo, Aruba ainda ta confronta e realidad di un 'stempelparlament'

Parlamentarionan di coalicion no mester ta extension di Gobierno

Seis luna despues di a bandona Parlamento, Daphne Lejuez no a mira ningun mehoracion den funcionamiento. E ex-Parlamentario no ta sinta den e sala di Parlamento, pero ta keda mes enfoca riba kico ta sucede den Parlamento y ta keda hopi comunicativo cu su siguidornan pa medio di su pagina di Facebook. Es mas, kizas cu su experiencia di paden, e por compronde miho kico hopi ciudadano y votado ta observa y pakico.

“Despues di mas di 6 luna di a bandona Parlamento, lamentablemente mi mester constata cu nada no a realmente cambia. Ainda e coalicion cu ta sostene gobierno ta den ‘defense mode’ y ta defende maneho di gobierno door di bira personal y papia di tur cos menos e leynan of topiconan cu ta ser trata. Oposicion ta wordo bagatelisa y insulta pa coalicion. Hasta Ministernan ta insulta Parlamentarionan di oposicion y ta haya forsa pasobra nan sa cu tin un mayoria di 11 cu no lo cuestiona nan acto ni decisionnan,” ta locual Daphne Lejuez a bisa Bon Dia Aruba.

“Mientras riba papel y den nos Constitucion, un Parlamentario supuestamente mester ta imparcial y defende e interes di Pueblo, cuestionando y controlando e maneho di gobierno, e realidad ta cu Parlamentarionan ta mas preocupa cu defende nan partido cu e interes general. Esey tin como consecuencia cu ta crea e famoso ‘stempel parlament’ na unda cu e liña di e partido ta bay prome cu tur cos.”

Den otro palabra, pa Lejuez, nada a cambia y es mas, e ta preocupa cu e tendencia ta mostra cu el a bira pio. “Ningun Parlamentario di coalicion ta cuestiona Gobierno. Pues, nunca lo haya Parlamentario critico. Al contrario, ta haya Parlamentarionan cu en bes di cuestiona, ta defende maneho di Gobierno. Nan a bira un extension di Gobierno den Parlamento en bes di haci pregunta critico. Pero nan trabao ta muestra di ta critica oposicion durante reunionnan publico. E ta muestra atrobe cu den practica, Gobierno por keda conta cu ‘cheerleaders,’ cu ta e mayoria den Parlamento.”

Lejuez a cataloga e forma di funciona aki como un secuestro di e trabao di control di Parlamento. “E sistema democratico ta duna espacio pa tene Minister responsabel, pero na momento cu tin mayoria ta sostene Gobernacion, no por haci nada. Mas ainda, si un Presidente di Parlamento ta parti di e coalicion, e no por haci otro tampoco. Realidad ta cu dificil pa conta riba imparcialidad,” ta e pensamiento di Lejuez.

LIM

E observacion aki ta mas interesante mirando cu awe Parlamento ta trata e Landsverordening Instelling Ministers nobo, LIM. For di momento cu Gabinete Wever Croes II a sinta, mayoria Minister tabata traha cu apoderacion. Lejuez tabata comenta na varios ocasion cu e Ministernan cu den e periodo tras di lomba, cu e mandatario presente no ta esun cu ta carga e responsabilidad.

“Ta di lamenta cu a crea un situacion yen di confusion na unda ni e Parlamentarionan tabata sa ken realmente tabata responsabel pa cua cartera y pa responsabilisa su mes formalmente na Parlamento. Esaki, mientras en berdad por usa ‘machtiging’, esta e apoderacion pa otorga ehecutcion na un otro Minister, semper esun oficialmente apunta ta keda responsabel na Parlamento. E apoderacion como tal no ta para riba un nombramento oficial. Pues a crea hopi confusion, y mas aun ora esnan apodera a cuminsa usa titulongan y Ministerionan cu no ta existi oficialmente ainda. Asina nos ta wak un supuesto Minister di Naturalesa bin duna cuenta pa medio ambiente, RWZI y Parkietenbos na Parlamento sin cu e ta autorisa pa haci esaki formalmente, ya cu e ta oficialmente Minister di Transporte, Telecomunicacion y Sector Primario. Pues e ora oficialmente Parlamento lo no por dun’e un mocion of instruccion pasobra e no ta e Minister oficialmente encarga. Esaki ta crea confusion pa Parlamento, pero tambe pa pueblo, sigur si ningun di e apoderacionnan aki a keda publica pa sa exactamente ken ta responsabel pa kico.”

Transparencia y Integridad

Gabinete Wever Croes II y Presidente di Parlamento mr. Edgard Croes a priminti integridad y transparencia. Pero segun Lejuez, e solo hecho con a yega na e reparticion a laga hopi pregunta.

E argumento di Minister Arends ta

pasobra nan ta traha ‘horizontal,’ cruzando Ministerionan. “Kizas Minister Arends no ta compronde entre otro bestuursrecht ni nos Staatsregeling cu ta defini cu cada Minister ta responsabel pa su cartera, asina yama ‘Ministeriele Verantwoordelijkheid,’ esta responsabilidad Ministerial. Pues traha ‘horizontaal’ no ta existi, ya cu cada Minister ta individualmente responsabel pa e cartera cu e la keda encarga cune segun e LIM. Claro cu tur Minister mester traha hunto y colabora pa logra e programa di Gobernacion, pero cada un mester coordina esaki for di nan cartera y no por mete den esun di otro.”

Consecuentemente e forma di traha aki no a trece hopi confianza cerca Daphne Lejuez, cu berdad ta tuma e promesa di transparencia y integridad na serio. “Transparencia y integridad ta palabranan cu ta usa hopi sin realmente duna esakinan contenido. Tin hopi conflicto di interes y tambe actonan cuestionabel pa cual na hopi otro pais Ministernan lo a tene honor na nan mes y retira. Ehempel ta e vacuna-gate [red. Minsiter di Salud Dangui Oduber a ricibi hopi pregunta riba e tema aki, esta di e benta di certificacion di como 3000 vacuna. E Minister mes no a contesta. Tabata Prome Minister Evelyn Wever Croes den su calidad di e persona na cabez di e Crisis Team a dicidi pa contesta y bisa cu ta lamenta cu e caso a sucede, pero cu ta algo cu varios otro pais tambe a experiencia y cu a pasa e investigacion den man di Ministerio Publico].”

Den concepto di Lejuez, transparencia ta di suma importancia pa Parlamento, pueblo y tambe pa prensa por haci su trabao di controla e maneho. “Mester tin transparencia pa sa si e maneho ta husto y cu en berdad ta cumpli cu reglanan di bon gobernacion. Asina aki tambe por constata si di berdad ta actua cu integridad of solamente ta keda na palabra. Un ley cu por ehempel lo por yuda hopi den

esaki ta e ley di archivo (Archiefwet) cu ta regla con mester warda documentonan, publica y tambe registra, asina por crea mas transparencia y cherce mihor control.”

Fundacion Lotto pa Deporte

Ayera tabatin inicio di e caso cu Minister Endy Croes a entama contra Ernst & Young pa un investigacion mara na su persona. Na 2019, Corte Supremo, Hoge Raad a bisa cu e compania no a anda cu cautela den e investigacion riba sr. Croes, cu tabata Director di Fundacion Lotto pa Deporte. E caso aki ta diferente cu e caso penal cu Ministerio Publico a entama contra sr. Croes.

E caso nunca a bin dilanti pa motibo cu Ministerio Publico a haci un eror tecnico den e asina yama ‘oproeping’ y Huez a declara e ‘dagvaarding’ inadmisibel. Huez e tempo a bisa Ministerio Publico pa traha un dagvaarding nobo, pero esey nunca a sucede. E Fiscal encarga cu e caso no a termina e trabao y a bolbe Hulanda mesora. Den otro palabra, e caso nunca a bay dilanti.

Di otro banda, sr. Endy Croes ta considera cu e decision di Hoge Raad cu a bisa cu e investigacion di Ernst & Young no tabata haci cu e debido cautela ta motibo pa e demanda rectificacion, y a bisa Bon Dia Aruba na momento di a huramenta como Minister, cu esey no ta strob’e hay’e cargo di Fundacion Lotto pa Deporte.

Pero Daphne Lejuez ta mira e desarojo aki diferente. “Pa loke ta e caso di Minister di Enseñansa, cu ainda no ta oficialmente Minister di Deporte te ora cu e LIM cambia, ta preocupante cu den e propuesta di e LIM nobo kier haci sr. Croes e Minister di deporte, bao ken Fundacion Lotto pa Deporte lo resorta. Tin e caso penal (red.cu no a keda resolvi pa un huez) y ainda tin un caso a titulo personal andando contra e fundacion.

Esaki ta un di varios ehempel unda ta cuestiona e palabra tanto usa di ‘integridad.’ Particularmente a crea un cartera di Integridad, pero no kier cuminsa cu e casonan obvio aki y ta purba na hustifica pakico nan no ta un problema.”

Segun Daphne Lejuez, integridad ta encera apariencia tambe. Si berdad kier pone integridad halto, mester evita hasta e apariencia di conflicto di interes. “Pues e ta bisa hopi di nos representantenan y gobernantenan con nan ta anda cu e tema aki y mas aun di nos actual y futuro Minister di Integridad,” ta e opinion di Daphne Lejuez.

Enseñansa tin presupuesto di mas di 280 miyon florin pa aña 2022

Diamars ultimo, minister di Enseñansa Endy Croes a tene un programa informativo na unda el a presenta e Maneho di Enseñansa 2021-2025, cu e metanan pa cumpli pa asina ofrece un enseñansa di calidad.

Croes a menciona cu despues di reuni cu diferente instancia y stakeholders den veld di enseñansa, a bin dilanti cu no tabatin suficiente participacion den formulacion di un vision, di metanan, di maneho y di enseñansa, despues documentonan ta ilustra cu si a haci esey, pero kisas no tabata na conocimiento di tur. Croes a muestra varios estudio cu a haci hasta aña pasa 2021.

El a trece dilanti e presupuesto, unda cu a refleha e grafico di minister di Finanzas, Xiomara Maduro, cu ta indica cu entrada ta presupuesta pa 1.275 miyon florin pa aña 2022 y un necesidad financiero di 1.651 miyon florin pa cubri e aña aki.

Pa loke ta trata presupuesto pa enseñansa, Croes a informa cu ta un total di 280.415,100 florin cu mester inverti den su totalidad. Di e suma aki, mas cu 80% ta bay na entre otro, na salario di docente y maestronan, cu ta un porcentahe hopi grandi.

Croes a expresa cu den su rol como minister, e no ta un experto tecnico den mundo di educacion.

Pero e ta considera importante pa nan scucha, trece stakeholders hunto, crea plataforma pa dialoga y trece balansen den diferente interesnan.

Segun Acuerdo di Gubernacion 2021-2025, el a bisa cu lo trece innovacion den sistema di enseñansa pa asina prepara alumno y studiantenan pa por participa y contribui na pais Aruba.

E punto di salida ta e rapport produci na maart di 2019, Plan Educacion Nacional "PEN 2030". siguiendo e meta number 4 di Sustainable Development Goals cu ta trata di Educacion di Calidad y tambe Landspakket, di e manera con ayudo financiero di Hulanda ta contribuyendo na esaki.

Ademas el a presenta e prioridadnan 2021-2025, unda e prome ta calidad basico di enseñansa. Eesaki tin e meta cu tur scol ta yega na

calidad basico di enseñansa cu condicionnan cu mester t'ey, manera registracion di data, modernisacion di leyman, estructura di subsidio, profesionalisacion y liderazgo fuerte, comunicacion y colaboracion, supervision. Ta bay percura pa tur tipo di enseñansa ta acopla na otro y cu mercado laboral, pa yega na calidad basico ta optimisala, y ademas pa cumpli cu e demanda minimo: Onderwijsproces, examinering en diplomering, schoolklimaat, onderwijsresultaten, kwaliteitszorg, pedagogisch didactisch handelen van leraren, financieelbeheer, cu entro otro ta aspectonan cu ta bay acopla

cu e maneho cu kier brinda.

E meta pa loke ta trata enseñansa pa un y tur (inclusion y lifelong learning) y desaroyo di competencianan di siglo 21, Croes a sigura cu tin cu percura pa e posibilidadnan di siña ta amplio, unda cu comunidad mester tin acceso na enseñansa y tin cu wordo adopta na lifelong learning – pa cu e SDG's number 4 menciona caba.

Tambe el a bisa cu mester tin condicionnan basico pa digitalisacion di enseñansa. Durante pandemia di Covid-19 a prepara un plan di contingencia, unda cu ta conoci cu

Aruba no ta completamente prepara pa bay den enseñansa digital. Croes a opina di esaki cu Aruba ta den rumbo di digitalisacion manera cu mundo ta bayendo, pero mester bay di un manera estructura, poniendo prioridadnan pa por cubri e parti aki. Ademas, estructura di cuida mester ta fuerte como eerstelijnden zorg.

E ultimo prioridad cu ta papia di desaroyo competencia siglo 21, tin di haci cu curiculo relevante y actual, maneho di idioma integral, prepara alumnonan pa competencia pa mercado laboral, pa nan sigui studia, desaroyo

persona y duna aporte na un miho sociedad hunto cu 4C cu ta Communication, Collaboration, Critical Thinking y Creativity.

Na e momentonan aki, Croes a señala cu enseñansa ta para, caminda cu tin un protocol cu a firma dia 13 di november 2020 (Onderlinge regeling), cual ta papia di e Landspakket cu ta para pa reforma y inversion, percurando pa haci economia y sociedad di Aruba resiliente y sostenibel den futuro.

Den e protocol aki tin 8 reforma total den area di maneho financiero, costo y efectividad di sector publico, reforma di sistema di impuesto, sector financiero, economia, salubridad, enseñansa y reforsa derecho di estado.

Cu esaki, Croes a informa cu trabounan a cuminsa na luna di april 2021 cu e doorlichting, na juni y september di e mesun aña pasa Inspectie Hulanda tabata na Aruba pa pasa door di e proceso aki. E enfoke primordial, segun el a sigura, di e doorlichting aki ta: 1- Het realiseren van een basiskwaliteit van onderwijs, 2- Het realiseren van een goede aansluiting tussen onderwijs en arbeidsmarkt y 3- Het realiseren van goede doorstroom tussen stelsels van onderwijs. [Realisacion di calidad basico di enseñansa, realisacion di bon acoplamiento entre enseñansa y mercado laboral, y realisacion di bon fluho entre sistemanan di educacion.]

Esaki ta forma parti di e maneho cu e ta bin splicando, unda cu Aruba no por bira lomba cu e Landspakket, e tussenrapport y doorlinchtig cu a tuma luga. Como minister di Enseñansa el a sigura cu el a reacciona riba e rapport y cu ayera e mester bay na Parlamento di Aruba y awe ta bay presenta di manera mas profundo den un conferencia di prensa, pa despues e bira publico riba e website di Gobierno di Aruba cu e palabracionnan entre Aruba y Hulanda.

Di esaki, el a menciona cu e rapport a produci 13 recomendacion tocante con nan a haya enseñansa di Aruba, kico nan ta bay haci pa Aruba por eleva y mehora unda cu na luna di april di e aña aki lo keda conoci e rapport final.

Minister Rocco Tjon:

Balor di Cuerpo Policial ‘mas grandi cu tur e miyones cu nos ta inverti den infraestructura’

Diaranson mainta durante un conferencia di prensa, Minister di Husticia y Asuntonan Social, Sr. Rocco Tjon, hunto cu Minister di Economia, Comunicacion y Desaroyo Sostenibel, Sr. Geoffrey Wever y director di Aruba Port Authority (APA), Sr. Mark Figaroa, a firma un “huurovereenkomst” pa renobacion di un edificio cu lo sirbi como oficina nobo pa e departamento di polis maritimo di Cuerpo Policial di Aruba.

Minister Tjon a expresa cu e firmamento di e acuerdo aki ta un momento hopi importante y cu e ta hopi contento cu por a yega na un acuerdo cu APA pa yega na un edificio nobo pa polis maritimo. El a enfatisa cu e acuerdo aki ta hopi importante, specialmente pa e coleganan di Cuerpo Policial cu pa hopi tempo caba ta percura pa eleva seguridad na pais Aruba y particularmente ora ta toca e topico di seguridad na e fronteranan di Aruba. “A pesar cu no tabatin e miho condicionnan pa loke ta boso edificio, boso semper a keda duna di boso banda y p’esey mi ta kere ta asina importante tambe pa aworaki e inversion aki tuma luga”, el a indica.

Durante e conferencia, Tjon a remarca e coopreacion di e demas coleganan Minister y tambe a subraya Aruba Hospitality and Security Foundation como un partner strategico pa por a logra e acuerdo aki. “Nos ta hopi agradecido na boso sosten pa cu esaki y no solamente pa cu e proyecto aki, pero tambe pa forma parti di e vision y e plan di maneho cu tin pa loke ta trata eleva seguridad y muy en particular den areanan turistico”, el a señala.

Tjon a splica cu e inversion

aki ta uno grandi y cu tin hopi mas inversion cu lo bay tuma luga. Pero el a remarca cu e balor cu e Cuerpo Policial di polis maritimo ta agrega y e trabao cu nan ta eherce pa eleva seguridad na Aruba “ta mas grandi cu tur e miyones cu nos ta inverti den infraestructura y den material pasobra na final di dia bo por tin tur e material necesario pa eherce bo trabao, pero si no tin e dedicacion cu boso a sa di muestra tur e temponan aki, nos no lo a logra nos metanan tampoco”, el a expresa.

El a finalisa señalando cu Cuerpo Policial di polis maritimo sigur por sigui conta cu e sosten di Ministerio di Husticia y Asuntonan Social pa sigui logra e otro metanan cu nan tambe tin nan dilanti.

Minister di Turismo y Salud Publico, Sr. Dangui Oduber tambe tabata presente y a subraya tambe e logro aki y a gradici e cooperacion entre Ministerio di Turismo, Ministerio di Husticia, Ministerio di Infraestructura, Ministerio di Economia y APA cu asina a logra a yega na un bon palabracion pa e inversion pa mehora e edificio pa polis maritimo.

“Pa hopi tempo nan no tabatin un bon localidad pa labora, pa haci nan trabao cu ta hopi importante pa nos turismo pa nan seguridad riba nos puerto y pa nos cumplimiento cu e codigonan di AISPS, kermen e inversion aki ta hopi importante”, el a indica.

El a sigui splica cu el a drenta Gobierno, hunto cu su Ministerio a hiba combersacionnan cu Ministerio di Husticia pa yega na palabracionnan concreto pa haci un inversion cu lo resulta den e mehoracion di e facilidad pa polis maritimo tin un bon oficina caminda nan por haci nan trabao. “Gobierno a decreta aña 2022 como e aña di inversion y nos ta bay cumpli cu esaki. Esaki ta un inversion cuantioso cu lo bay tuma luga pa asina nos por tin un bunita edificio pa e polis maritimo.”, el a agrega.

Pa finalisa Minister Oduber a gradici Minister Tjon, APA y Aruba Hospitality and Security Foundation pa pone e fondonan disponibel pa por haci e inversion aki den e renobacion di e edificio pa polis maritimo, cu segun idncia dentro di seis luna lo mester ta cla.

Minister Wever tambe a dirigi algun apalabra y a felicita polis maritimo, APA y gradici nan tambe pa yuda Gobierno di Aruba cu e construccion di e edificio aki. “E ta un bunita ehempel con un entidad estatal ta coopera cu Gobierno pa trece un facilidad cu ta necesario pa infraestructura di nos pais pa nos por keda cumpli internacionalmente cu e reglanan cu ta aplicabel pa nos pais”, el a expresa.

Prome Minister, Evelyn Wever-Croes, den nomber di Gobierno di Aruba, tambe a

duna palabra di gradicimento na APA y Aruba Hospitality and Security Foundation pa yuda Gobierno na e momentonan aki. El sigui y a gradici Cuerpo Policial, specialmente e departamento di polis maritimo cu pa hopi tempo tabata ubica den edificacion cu no tabata esnan di mas adecua pa eherce nan trabao. “Aworaki Gobierno ta presentando un solucion pa esaki, dentro di seis luna lo tin facilidadnan hopi mas adecua pa Cuerpo Policial por ehecuta su trabao na un forma ideal”, el a remarca.

Minister President a señala cu Aruba ta pasando den retonan grandi. Manera el a menciona Covid tabatin un impacto hopi mas duro cu locual hopi hende a spera y mientras Aruba ta purba lanta cabes di e pandemia y reconstrui pais Aruba dentro di e espacionan financiero limita, el a enfatisa cu tipo di solucionnan innovativo, practico, den cooperacion y colaboracion cu otro entidadnan ta locual cu lo yuda Aruba sigui bay dilanti.

“Nos sa cu e tempo tras di lomba, e casi dos aña cu nos ta aden tabata hopi dificil, specialmente den e caso aki tambe pa nos cuerpo policial. No solamente pa motibo di sacrificionan financiero di salario, pero tambe presion di trabao. Nos no por coregi tur cos aworaki nos ta depende ainda di sosten di likides di Hulanda y nos tin cu sigui cumpli cu condicionnan di Hulanda. Pero esey no kermen cu nos no por traha ariba otro aspectonan pa mehora e ambiente di trabao di cada un di e empleadonan publico di pais Aruba y den e caso aki di Cuerpo Policial”, el a agrega.

Por ultimo el a gradici Minister Tjon y su ekipo cu ta sigui busca solucionnan cu apesar di tur e retonan y limitacionnan financiero, ta busca maneranan pa sigui mehora calidad di bida di empleadonan publico tambe.

“Mi ta desea boso hopi exito den e trayecto nos dilanti y mi ta spera nos por cumpli cu esaki na tempo, cumpli cu nos Cuerpo Policial na tempo y cu den seis luna berdad nos por mira un resultado hopi bunita akinan”, el a finalisa.

Mas problema...? *Anto nombra mas comision...!*

Semper ora presenta un problema den gobernacion, ta core pone uncomision pa studia e caso. Esey no ta asina cerca nos so; e ta algo universal. Awor, no ta bisa esaki pa ridiculiza e asunto, pasobra e nombramento di e comision riba su mes por ta e inicio di un bon solucion tambe. Semper ta mihor pa studia algo di tur banda y haci un bon evaluacion di e posible opcionnan. E punto ta kico realmenteta e proposito cu e comision: e ta un intento serio pa avanza den e materia, o e ta e vehiculo perfecto pa kita critica por lo pronto for di caminda, cu e argumento cu no por bisa nada ainda, pasobra 'e comision mester por traha tranquilamente'. Un mandatario cu ta realmente interesa den yega na solucion lo pone hopi presion riba esnan nombra eyden, pa nan bin mas pronto posible cu solucion practico y factible. Den e situacion ey e tin tambe e escogencia di mantene un canal di comunicacion habri cu prensa, unda regularmente tin un update tocante e progreso di e trabaonan. Ora e relacionnan ey cuminza amarga y e mandatario ta cuminza bira mas defensivo ora prensa puntra pa e avancen den e trabao, ya bo sacuant'or tin... ey por cuminza sospecha cu e comision ta sirbi mas como un pantaya pa kita atencion pa loke berdaderamente ta tumando lugar.

Pero nos no mester papia solamente di e experiencia en general. Por menciona caso unda por mira perfectamente con principalmente e banda negativa funciona. Un ehemplo ta e intentonan cu tabatin pa laga un comision analiza y evalua e posibilidadnan di corta 'red tape' pa facilita bida pa comercio. Den ultimo decadanan tabatin varios di e intentonan aki, unda a trece hopi di e aspectonan dilanti pa tuma na cuenta y resolve, cu awendia aparentemente ta suheto na estudio di e actual grupo cu ta bay lidia cu e tarea aki. E pregunta ta anto: pakico nunca a introduci ningun di e medidanan proponi? Esnan cu a traha riba e solucionnan no por contesta esey; esun cu lo por ta e mandatario(nan) involvi cu no tabata mira nada den e sugerencianan haci. Nunca a bin sikiera un respuesta di e nivel ministerial kico tabata bon y kico menos bon, simplemente entrega di e rapport tabata significa fin di e proceso: señores adios! Pa tanto aña despues nos mira un otro grupo di alma entusiasmo cuminza cana e mesun caminda cu a cana tanto aña pasa.

Awor, ta bisa anto cu nan no mester ni cuminza? No, ta importante pa cuminza di nobo y haci e trabao, pero mester tin un cos clarito promer cu cuminza: kico ta e proposito na nivel politico?

Si ministro o gobiernota laga tur hende den scur tocante loke kier logra, y cu realmente por bay pa tera o pa lama, esey nan ta bay dicidi despues, cu 'nan hendenan'? Esey no ta base pa coopera.

Otro ehemplo actual ta e situacion den enseñanza, unda e prestacion pover - como grupo, no individual - di nos studiantenan specialmente na Hulanda ta den atencion publico, atrobe. Nos ta papiando aki di un asunto cu pa mas di cuatro decada ta bolbe regularmente nos dilanti y no ta mira avance. Nos ta bisa avance y no solucion, pasobra en realidad e no tin solucion definitivo; e ta keda algo pa cual nos mester tin metodo pa sikiera tene e problema manehable. Y ni den esey nos no a avanza. Awor atrobe lo trece tur esnan cu ta 'stakeholder' hunto pa delibera, y aunke nos no ta optimista, ta di spera cu lo tuma cierto decision clave. E decision cu tuma, specialmente tocante e papel di idioma den enseñanza, di tur manera lo ta dificil pa ehecuta, ya cu no ta dispone di e recursonan financiero pa lo necesario, pero tuma un decision den e tradicional cacofonia di opinion ta muestra un bataya dificil.

Den e asunto aki di mes nos ta keda cu e problema grandi di awendia di e estudiante cu ta caba secundario cu un conocimiento bastante superficial di e idioma, sigur pa cuminza un estudio universitario na Hulandes. No ta papiando di e 'happy few' cu di tur manera tin loke nan mester pa ta exitoso, esta un vocabulario amplio den e idioma, pero di e grupo grandi cu no tin e preparacion debido pa esaki. Y nos no ta ni papia ainda di e problemanan social y emocional di ta de repente den un ambiente desconoci, pero ban spera cu nos por tin por lo menos un claridad kico ta bay haci pa mehora e preparacion academico di nos studiantenan.

Pero, laga nos no keda sin menciona tambe e comisionnan institui cu a logra haci un bon trabao y termina nan trabao na tempo y cu sugerencia cu a haya seguimiento gubernamental. Esaki ta depende hopi di e composicion y di e forza di decision di e miembronan cu no tin miedo di papia fuerte y cla, ora resulta cu e comision no t'ey pa resolve asunto, sino pa gana tempo pa e mandatario en cuestion, sin cu realmente e idea final ta pa logra algo definitivo pa e pais. Y, ta keda na prensa tambe pa no laga e asuntonan aki sosega, pa despues di varios aña puntra nan mes ta kico a pasa...

Ministerio Publico no ta bay multa dump pa opera sin permiso

Den un comunicado di prensa ayera, Ministerio Publico di Aruba a informa riba e motibonan pakico a tuma e decision pa permiti pa dump na Parkietenbos continua su operacion a pesar di no conta cu tur e permisonan necesario.

“Ministerio Publico conoce e retonan grandi relaciona cu dump y pikimento di sushi, pues cu medio-ambiente y naturaleza aki na Aruba. Particularmente pa habitantenan di Parkietenbos y vecindario.

Na 2021 Ministerio Publico a ricibi denuncianan tocante e molester di dump y e incinerator, cu a drenta na uso e aña ey. Ministerio Publico ta conclui en conexion cu esaki cu legislacion riba tereno di naturaleza y medio ambiente na Aruba ta cana tras: e Hindervergunning ta data di 1988, tin apenas leynan y reglanan y no tin hindervergunning pa e dump na Parkietenbos. E ultimo aki ta hiba na un hecho castigable. Ministerio Publico tabatin contacto recientemente tocante esaki cu minister di Natu-

raleza. Pa e incinerator si a duna un hindervergunning.

Riba 2 di februari Procurador-General di Aruba a papia cu señora mr. Anouk Balentina relaciona cu su denunciacion. A informa señora Balentina cu pa awor Ministerio Publico lo no duna boet pa e

hecho cu a sigui laga e dump funciona sin un hindervergunning.

Tin varios rason pa e decision aki. Un di nan ta cu e dump ta den funcion pa mas cu 60 aña caba y desde 1988 sin hindervergunning, es decir 34 aña largo. Ta Ministerio

Publico su tarea pa investiga y persigui hechonan castigable, pero e punto di salida ta semper cu e uso di ley penal ta e ultimum remedium. E ta algo cu ta wordo usa ora a purba tur e otro posibilidadnan. Na huicio di Ministerio Publico esey no a pasa. E Hinderverordening di 1988

ta duna posibilidadnan si pa limita e molester door di gobierno. Ademas dunamento di un boet lo no soluciona e problema di dump y di e habitantenan di Parkietenbos. Pa soluciona esey mester di otro tipo di solucion y di solucion fundamental.

Pa loke ta trata e plannan di gobierno riba e tereno aki, Ministerio Publico ta constata cu e minister di Naturaleza a indica varios biaha publicamente cu e lo kier tuma pasonan concreto pa loke ta dump, pikimento di sushi y medio-ambiente y naturaleza di Aruba, y cu e minister ta reuni cu parlamento, varios stakeholder y habitantenan, pero cu esaki lo ta un proceso largo. Los di e plannan aki, Ministerio Publico ta di opinion cu mester bin claridad rapidamente tocante un hindervergunning pa e dump, aunke Ministerio Publico ta compronde cu lo costa tempo. Na fin di 2022 Ministerio Publico lo considera di nobo e decision pa cu e denuncianan.”

Asunto 12,6% solamente un problema pa Reino dicidi *Leynan di Reino pa Aruba obstaculo mas grandi*

Den un recado di prensa di Promer Ministro Wever-Croes, cu ta aparece tambe den nos edicion aki, a enfoca riba e asunto di e recorte salarial di 12,6%, di cual sindicatonan representando empleado publico y personal di entidadnan estatal ta haya cu mester elimina esaki completamente. Gobierno di Aruba a pone e asunto den

man di gobierno di Reino, ya cu mantene e recorte pa e aña aki ta un condicion pa continuacion di e ayudo financiero Hulandes, cu ta clave pa gobernacion di Aruba sigui opera.

Mañan, diabierna, Consejo di ministro di Reino lo atende e asunto aki, cu probablemente un resultado negativo pa gobierno y sindicatonan.

Ta dificil pa convence Hulanda cu, teniendo un deficit riba presupuesto di centenares di miyon, ta importante fia extra placa pa paga empleado publico full salario. Y si e contesta ta negativo, esey ta pone e bala back riba cancha di gobierno local, cu mester atende eventual accion sindical, cu e instrumentonan legal na su disposicion. Con esey lo bay, ta incierto ainda.

Ademas, tin otro asunto pendiente cu tin di haci cu e ayudo financiero, pero tambe cu continuacion di e supervision financiero, cu den diferente forma ta presente desde 2014. Actualmente tin algun asunto pa resolve, cu ta e protocol tocante supervision financiero, cu en todo caso mester yena e bashi legal actual despues cu e anterior protocol a vence na fin di 2021. E protocol aki di cualkier manera mester ta vigente te cu e ley di Reino pa Aruba keda cla y ta na vigor. Esaki ta un punto menor pa cual mester tin solucion na mesa, si no a yega na esaki caba.

Banda di esey, hunto cu e otro islanan (Curaçao y Sint Maarten) y Hulanda, mester atende e ultimo diferencianan pa e proyecto di ley di Reino pa e organismo (COHO), cu mester bay dirigi e reformanan, por bay cana su caminda den parlamento Hulandes. Di parti Hulandes tabata spera cu por a logra esaki caba na december 2021, ora a pospone e reunion di Consejo di Ministro di Reino,

pa despues pospone un biaha mas na januari ultimo.

Faltando solamente un dia pa e reunion di Consejo di Ministro di Reino tuma lugar, ainda no tin claridad riba e puntonan aki, mientras tabatin consulta recientemente entre e cuatro paisnan. Principalmente e leynan di Reino ta importante pasobra nan lo determina e forma den cual den proximo añanan gobierno di Aruba lo mester bay traha riba recuperacion financiero y implementa e multiple reformanan cu en principio a acorda caba cu Hulanda, y cu ta hayando ehecucion – parcial – via e Uitvoeringsagenda. Sin embargo, si no ta yega na formalizacion di e leynan, esey no ta implica final di e supervision Hulandes, pero esaki lo mester bay haya otro forma. Lo ta bon si ta dedica mas atencion, tambe den publicidad, na e aspectonan aki cu ta bay hopi mas leu y profundo cu e asunto di reduccion of no, di salario di un categoria privilegia, compara cu e empleado average den sector priva.

Chile: Gobierno ta bay aumenta ekipo policial na nort di e pais pa enfrenta crisis migratorio

(Infobae) – Diamars ultimo Gobierno di Chile a anuncia cu ta bay aumenta ekipo policial na nort di e pais pa enfrenta e crisis

migratorio cu tin for di un aña caba na frontera, y e aumento di delincuencia cu bisña- y autoridadnan local ta denuncia.

Minister di Interior, Rodrigo Delgado a bisa cu diamars mes a yega na ciudad di Iquique un centenar di agente policial Carabinero y di Polis di Investigacion (PDI), cu ta bay keda na e zona te 11 di maart, dia cu e iskiardista Gabriel Boric lo asumi como presidente nobo di Chile. Delgado tambe a indica cu ta bay realiza “un plan di intervencion inmediato den barionan na unda tin e mayor cifra di delincuencia” cu e obhetivo di “duna mayor seguridad na e bisiñanan”.

Raul Arancibia, fiscal di Tarapaca, e region na cual Iquique

ta pertenece, siman pasa a sigura cu homicidio a aumenta na 183% den un aña y cu a surgi gruponan criminal “extremadamente violento”, cu metodonan y delitonan cu no a wordo mira antes na nort Chileno.

Iquique, e prome ciudad grandi cu e migrantenan ta haya na momento di yega na Chile via pasonan iregular na frontera cu Bolivia, dialuna ultimo ademas a biba un welga di actividadnan, cu trucknan cu tabata blokea caminda y negoshinan chikito cu a cera.

Igualmente, aeropuerto local

a keda obliga di suspende su operacionnan debi na blokeo di trucknan cu ta pidi un mayor control na frontera.

Ni pandemia ni crisis social cu a extende pa mas di un aña na 2019 a aleha e deseo di emigra pa Chile, un di e paisnan mas atractivo di Latino America pa su estabilidad politico y economico.

Despues di un aumento di entrada di migracion iregular na februari di aña pasa, e crisis a bira pio na october, cu centenares di stranhero, principalmente Venezolano, cu ta ocupa espacionan publico como plasanan y avenidan.

Amnistia Internacional a sigura cu reforma na codigo Salvadoreño lo por legalisa spionahe digital

(Infobae) – Diamars ultimo, Amnistia Internacional (AI) a adverti cu un reforma na Codigo Penal Salvadoreño pa, entre otro, crea figura di “agente secreto digital”, lo por legalisa spionahe digital.

Asamblea Legislativo di mayoria oficialista, diamars a aproba cu 63 voto na fabor e reforma cu tambe ta duna pia na incorporacion di “evidencia digital” den procesonan penal y ta autorisa e realizacion di “operacionnan secreto digital cu por resulta necesario”, sin señala si esaki ta implica of no e intervencion

di comunicacion mediante plataformanan digital.

A indica cu por realiza e tipo di operacion aki unicamente cu autorisacion di Fiscalia General di Republica (FGR).

Erika Guevara Rosas, director di Amnistia Internacional pa America, a recorda cu organizacionnan a confirma “uso di spionahe ilegal cu Pegasus contra periodistanan y ONG na El Salvador”. Tambe a bisa riba Twitter cu “te awor autoridadnan no a investiga e menasa grave aki, pero awe ta aproba un reforma cu lo por a constitui un legalisacion di spionahe digital”.

Na mita di luna di januari, den un comunicado el a señala cu un investigacion conhunto di Acces Now y Citizen Lab a identifica “uso na gran escala di e programa di spionahe Pegasus di NSO Group contra periodista y miembronan di organizacionnan di sociedad civil na El Salvador”.

Gremio periodistico a rechasa e reforma aki pa, segun loke a señala, duna pia na legalisacion di spionahe. Presidente di Asociacion di Periodistanan di El Salvador (APES), Cesar Castro Fagoaga, dialuna ultimo a indica cu nan ta preocupa pa “e abuso

y arbitrariedad” cu Fiscalia y Polis “por haci cu e investigacionnan ey”. Ta importante pa nan tin hermentnan, pero evidencia di e manera con a comporta e institucionnan den pasado ta crea desconfianza den nan”, el a indica den

un conferencia di prensa.

A manifesta cu e autorisacion di e operacion aki secreto tin “varios problema”, como falta di “filter necesario”. Di algun forma, loke ta legalizando ta e spionahe.

Peru: Oposicion ta bay presenta acusacion constitucional pa retira Pedro Castillo

(Infobae) – Diamars ultimo, oposicion Peruano a

anuncia cu ta bay presenta un acusacion constitucio-

nal contra presidente Pedro Castillo pa “dicidi su retiro” mediante un huicio politico.

E di tres vice-presidente di Congreso, Patricia Chirinos, di partido opositor derechista Avanza Pais, a haci e anuncio aki despues cu e hefe di Estado dialuna ultimo a informa cu ta bay conforma un ekipo nobo di gobierno despues di e renuncia di e prome minister, Mirtha Vasquez y di e titular di Interior, Avelino Guillen.

“Mi a dicidi di presenta un Acusacion Constitucional contra presidente Castillo pa

su infraccion constitucional permanente, su incapacidad y evidente corrupcion den su gobierno. Awor, Congreso ta bay dicidi su retiro, a traves di un huicio politico” e parlamentario a anuncia riba Twitter.

Segun articulo 117 di Constitucion Peruano, e presidente por wordo acusa solamente durante su mandato pa causanan hopi specifico como traiciona patria, impedi eleccionnan presidencial, parlamentario, regional of municipal, disolve ilegalmente e Congreso of impedimento di su funcion.

Pero, den paralelo cu e anuncio di acusacion constitucional di Avanza Pais, e Comision di Constitucion di Congreso lo mester a analisa ayera un proyecto di ley presenta pa Partido Morado di centro-liberal y poco cerca di gobierno di Castillo, cu ta busca modifica e articulo 117.

E intencion di e proyecto ta pa amplia e causanan pa cual un gobernante lo por wordo acusa durante su mandato, pa permiti cu por wordo acusa pa presunto comision di delitonan di corrupcion y organizacion criminal.

Haiti: Opositornan Haitiano ta bay nombra un presidente como desafio pa Ariel Henry

(DiarioLibre) - Un grupo cu ta consisti partidonan opositor y organisacionnan civil di Haiti lo celebra diadomingo un votacion pa designa un presidente interino y un Gobierno transitorio pa e pais, manera desafio na e autoridad di Prome Minister, Ariel Henry.

Den e votacion, cu no ta reconoci pa Gobierno Haitiano, e 44 miembro di Consejo Nacional di Transicion (CNT) lo participa, den cual nan ta representa e diferente gruponan opositor cu a firma un acuerdo dia 30 di augustus 2021, conoci como Acuerdo di Montana.

Entre nan tin e partido Lavas di ex-presidente Jean Bertrand Aristide y e partido Tet Kale, di presidente Jovenel Moise, asesina na juli 2021.

Tambe ta representa e sindicatonan, organisacionnan religioso, entre nan e Episcopado catolico y e comunidad vudu, como tambe decenas di movementonan popular y 300 personalidadnan di diferente ambito.

E dos candidatonan presidencial ariba e lista di votacion ta ex-gobernador di Banco Central, Fritz Alphonse Jean y ex-presidente di Senado, Edgar Leblanc Fils, cu for di siman pasa caba ta campanando ariba medianan di comu-

nicacion.

Diasabra prome cu e votacion tuma luga un debate entre e dos candidato pa presidencia di Haiti y e cuater aspirante pa e cargo di Prome Minister.

E opositornan no ta reconoce e Gobierno di Henry, cu ta den poder desde e asesinato di Jovenel Moise, door cu nan ta considera cu el a wordo imponi pa e potencianan stranhero y nan ta boga pa un solucion pa e crisis politico cu ta nace for di un consenso entre e diferente sectornan di e sociedad.

Henry ta rechasa e celebracion di votacion di diaomingu cu, segun el a resalta, falta

apoyo den e Constitucion y den e regulacion huridico Haitiano.

E Prome Minister a priminti cu el lo organisa den e proximo lunanan un asamblea

constituyente cu lo ta encarga cu e redaccion di un carta magna nobo y posteriormente lo celebra eleccionnan presidencial y legislativo, cu lo tuma luga na final di e aña aki.

Venezuela: Reforma di ley ta laga TSJ cu menos autonomia

(LaPatilla) - Cu unanimidad y cu solamente un luna di discusion, e Asamblea Nacional (AN) controla pa PSUV a aproba e Reforma di Ley Organico

di e Tribunal Supremo de Justicia (TSJ) dia 18 di januari, unda a modifica 10 articulo. Esun cu mas a resalta tabata articulo 8, cu ta establece cu e poder

judicial lo pasa di tin 32 pa 20 magistrado.

Pa huristanan, e ley nobo aki no ta resolve e problemanan profundamente, manera e tardamento di procesonan, e violacion di derechonan humano y e nivel di corrupcion halto cu ta existi den e sistema di husticia Venezolano. Su unico interes ta politico, caminda ta bay parti control di e poder judicial aworaki entre e Ehecutivo Nacional y e Legislativo.

Ali Daniels, abogado y director di e ONG Acceso a la Justicia, ta afirma cu e oficialismo a reduci e cantidad di magistradonan pa preveni e

posibilidad cu areanan sensibel di e TSJ lo cay bao di e responsabilidad di magistradonan opositor of independiente, manera algun organo cu ta controla e direccion ehecutivo di e poder judicial. "Loke nan kier ta evita cu e oposicion tin algo di haci cu e gobierno di e poder judicial", el a resalta.

Pa algun hurista, locual Gobierno ta busca cu e reforma di ley aki ta pa sali di algun magistrado cu ta resulta incomodo pa e imagen cu nan ta purba di proyecta internacionalmente, specialmente pasobra nan ta enfrentando un investigacion na Corte Penal Internacional (CPI).

Abogado penal, Willians Escalona Teran ta sostene cu cada un di e modificacionnan cu a haci na e 10 articulonnan di e Ley Organico di e Tribunal Supremo de Justicia no ta orienta pa resolve temanan manera e nivel di corrupcion halto cu ta mancha e sistema judicial Venezolano.

E ta ratifica cu dilanti e posibilidad cu lo reanuda e negociacionnan entre Gobierno y oposicion na Mexico, cu ayudo di Comunidad Internacional e ley aki por ta e base pa un reparticion di magistradonan entre e dos forsanan politico.

Venezuela: Sector productivo wardando reactivacion comercial na frontera

(ElNacional) - Sector productivo na frontera entre Colombia y Venezuela ainda ta wardando e reactivacion comercial na e brugnan internacional entre ambos pais. Dia 22 di december 2021 tabatin expectativanan cu lo reactiva e operacionnan cu ta cera desde 2015 pa regulacionnan di regimen di Nicolas Maduro.

E intento ey a caba di kita tur animo di hopi ciudadano, asina e corant local La Nacion a indica. Tabatin dos truck cu cargamento pisa, un na Venezuela y otro na Colombia, y e chauffeurnan tabata confia cu lo laga nan pasa ariba e brug internacional Francisco

de Paula Santander.

E corant local a señala cu na e banda Colombiano e funcionarionan di e Departamento di Impuesto y Aduana Nacional no a yega, door di cual e polis di e pais ey a manda e truck back. Na e banda di Venezuela un truck a yega e brug, pero nan no a ricibi contesta satisfactorio, pa cual motibo e mester a bira bay back.

"E expectativanan pa 2022 ta hopi bon", segun Isabel Castillo, presidente di Camara di Comercio di San Antonio di Tachira a bisa na La Nacion. El a señala cu aunke ainda nan ta wardando e reactivacion comercial na e frontera,

aña pasa tabatin algun avance, manera e restauracion di e pase formal pa peatonnan.

E medio a publica cu e economia formal na e municipionan Bolivar (Colombia) y Pedro Maria Ureña (Venezuela) ta pega ainda. Gran parti di e comercionan ta cera y e tikanan cu ta habri no ta reporta un cambio significativo.

"Tin un cambio, pero ariba e avenida Venezuela caminda e mayoria di e ciudadanonan cu ta crusa pa bay Colombia via e brug ta pasa. Eynan tin mas bida", Castillo a afirma.

El a puntualisa cu mas di 92% di e sector industrial ta paralisa y cu mas di 90% ta

sigui sin traha pa loke ta trata e comercio na e frontera. "E cortamento di coriente ta sigui y e fayonan cu e com-

bustibel. Locual si nos ta mira ta un aumento den e benta clandestino di gasolin", el a manifesta.

Cada venue por a scoge un banda cu nan tabata kier duna sosten den e proyecto aki. Inicialmente tabata e intencion pa haci 4 concierto live

na e mesun momento, pero pa motibonan organisatorio y pa motibo di COVID-19, esaki no tabata posibel. Pesey, durante e ultimo simannan a scohe pa a graba 4 concierto separa, un na cada venue y haci un produccion final cu tur 4 concierto hunto pa presenta esaki online.

Cada concierto ta wordo presenta cu un MC. E team dinámico di MC's aki ta consisti di Lee Croes, Bryan Dirkz, Marlienne Lyder y Francis Tromp, cual ta sa di trece un show varia cu lo

monstra e diversidad di e escena musical alternativo cu nos isla ta biba tur fin di siman. Tin un grupo grandi di hende na Aruba cu ta goza di musica en bibo cu no ta necesariamente bailabel, pero cu ta trece canticnan original y innovativo.

E bandanan cu ta trece esaki tambe a sufrir door di e efecto di e pandemia mescos cu henter mundo, pero sigur a keda busca nan moda pa "Get up, Stand Up y Keep Up". E proyecto aki ta duna nan un extra sosten.

Incentivo pa paga number di vehiculo ta util

Aña aden y aña afor, Departamento di Impuesto ta lucha pa cobra "motorrijtuig belasting" popularmente yama "impuesto riba number di auto" y tur aña atrobe ta constata cu hopi doño di auto (cu ta friends and family of no) ta keda sin paga of ta paga mucho laat.

Pregunta: Minister, no por haci un prueba y bin cu un incentivo pa doñonan di auto paga number di auto, ful aña, den un paga y prome cu 1 di januari?

Na Aruba hendenan gusta cumpra y paga cos ora ofrece nan un bentaha financiero (na baratio).

Wel, pa paga number di auto, e sugerencia ta pa duna tur persona cu paga nan number di auto di henter aña den un paga prome cu 1 di januari un rebaho/korting of bin cu un tarifa special cu ta haci cu ta bale la pena paga ful aña den un paga prome cu 1 di januari.

Na prome bista ta parece cu

Gobierno lo ricibi algo menos na entrada riba impuesto di number di auto, PERO DEN REALIDAD Gobierno ta scapa hopi placa pasobra Gobierno lo tin hopi menos trabao y gasto pa cobra number di vehiculo despues di 1 di januari compara cu den e actual sistema, loke ta duna Gobierno y pueblo un bentaha grandi.

Ademas, si e incentivo ta exitoso, lo no ta necesario mas pa involvi Polis cu control, paramento di auto djis pa controla si number di auto ta paga. Algo sumamente ridiculo pasobra Departamento di Impuesto (DIMP) sa exactamente cua number y cua doño no ta/a paga ainda. Gobierno lo logra un otro bentaha grandi mas pasobra Polis lo tin mas tempo pa dedica na cosnan mas importante cu para/stroba trafico, controla pago di number di auto y traha proces-verbaal!

Polis lo por djis haci algo di control riba pago di number di vehiculo ora di infraccion den trafico.

Departamento di Impuesto (DIMP) cu sa for di su ad-

ministracion cua number di auto NO ta paga, por laga computer cuminsa cobra boet administrativo, asina aña habri, riba tur number cu no a wordo paga prome cu 1 di januari pasobra DIMP conoce doño y adres di doño (no mester di Polis pa para auto y controla mas).

Pa un bon incentivo ta sugeri un rebaho/korting di por lo

menos di 15% pa 20% ora paga number di auto, ful aña, prome cu 1 di januari. E rebaho/korting por bay den forma di tarifa nan special pa cada tipo di vehiculo.

Ademas lo ta bon pa habri e posibilidad pa paga number di vehiculo entrante 1 di september caba, asina tur hende tin 4 luna pa spaar, gosa di e tarifa special y paga menos.

Si ley no ta permiti "rebaho/korting" of "tarifa special" anto mester cambia ley cu cooperacion di Parlamentarionan (corda cu cantidad di voto ta conta !) pa facilita Gobierno/ DIMP/Polis y pueblo en general.

Basta cu palabranan bunita y propaganda politico y ban pa accion bentahoso pa Gobierno y pueblo!

Robert Arends:

Pa ken nos a vota pa sindicalista of pa politico?

E pregunta aki ta presenta pasobra pa loke ta empleadonan publico e desarojo na Aruba ta duna un impresion como si fuera cu ta pa e empleado publico sindicalista nos a vota pa maneha Aruba.

Si sindicalista/empleado pu-

blico ke maneha Aruba, sublista di partido político of bin cu boso propio lista di candidato pa Parlamento.

Di parti di Gobierno tambe mester bin cu maneho mas stricto den sentido cu ta duna sindicato di empleado publico indicacion "duidelijk" kico

Gobierno ta acepta of tolera di nan.

Pesey mester bin cu un protocol con anda cu otro pa no laga asuntonan escala te cu ta afecta bida diario di pueblo.

Tur e comedia cu Gobierno y sindicato a hunga ta aparente-

mente pa djis pa haya publicidad, pasobra na final toch Gobierno a hiba sindicato Corte.

Di con Gobierno no a bay Corte, pa Corte tuma decision, asina cu sindicato a menasa of tuma accion cu ta afecta bida diario?

Algun punto cu mester ser regla den un protocol entre Gobierno y sindicato nan di empleado publico ta:

1. Un empleado publico activo NO por ta un sindicalista (representante) di empleado publico pa motibo di conflicto di interes cu su colega nan empleado público y conflicto di interes cu su doño di trabao.
2. Trabao di sindicato pa empleado publico MESTER worde separa di trabao di Gobierno y cada sindicato mester carga cu tur su propio gasto nan SIN cu Gobierno mester yuda.
3. Pa Gobierno sa/tin prueba cuanto empleado publico un

sindicato ta representa, Mediador di Gobierno/Pueblo mester controla y raporta, un bes pa aña, e cantidad di miembro pagador di cada sindicato.

Ademas Mediador di Gobierno/Pueblo mester bira e punto di contacto/reclamo pa tur miembro di sindicato di empleado publico mientras DEFENSOR DI PUEBLO no ta den funcion.

Sigur tin mas punto cu mester worde poni den un protocol entre Gobierno y sindicato nan di empleado publico y pesey ta tempo pa Gobierno y sindicatonan forma un grupo di trabao cu por prepara un protocol pa facilita deliberacion indicando kico por y kico no por.

Maske cu politiconan y sindicalistanan ta usa otro pa logranan meta, un protocol ta yuda reglamenta con pa trata otro sin stroba bida diario di pueblo.

Segun Organizacion Mundial di Salud den 10 siman aumento di Omicron tabata mas cu otro casonan

E hefe di e organisacion mundial di salud a duna di conoce diamars cu a reporta 90 miyon di caso di corona virus desde cu a identifica pa prome biaha e variante di Omicron 10 siman pasa, lo ke ta representa mas den tur for di 2020 e prome aña cu a detecta e pandemia di Corona Virus.

Hopi pais a pone medida restrictamente mey mey di e publico, e director general di e organisacion mundial di salud OMS, Tedros Adhanom Ghebreyesus a adverti cu Omicron no mester sumestime apesar cu el a causa enfermedad menos grave cu e variantenan anterior, pero si un aumento preocupante di e mortonan den mayoria region rond di mundo.

Basta pais den parti Europa a

cuminsa flexibility su medidanan di blokeo inclui Gran Britania, Francia y Irlanda y

Hulanda. Mientras cu Mundo actual tin riba 379.000.000 caso

Pfizer ta pidi Merca aprobacion di su vacuna pa muchanan menor di 5 aña

A bira di conoci cu e compania Pfizer y BioNTech, a bay busca aprobacion cerca US Food and Drug Administration (FDA), pa asina por vacuna muchanan di 6 luna pa 5 aña.

Actualmente muchanan di 5 aña bay ariba por haya vacuna contra di Covid -19 na Merca. Netamente e compania Pfizer y BioNTech tin e privilegio, mirando cu Moderna y esun di Jansen por wordo tuma pa hendenan di 18 aña bay ariba na e pais.

E pandemia a crea espacio pa entrepreneur

E cantidad di mericanonan cu ta mirando pa cuminsa nan propio negoshi ta conoce un crecimiento.

pandemia a trece su cosnan malo pero e la trece oportunidadnan tambe pa hobenan cu kier habri nan

propio negoshi.

E entrepreneur nan a cuminsa cu variedad di negoshi-

nan debi cu nan a perde nan trabao durante di e pandemia. Algun di nan a dicidi di sigui den e ramo di nan profesion, otro a bay traha menos ora na cas y haci otro trabaonan adicional. E pandemia a trece un diversidad di opcionnan cu personanan a scoge pa traha. Na merca a keda registra 5.4 miyon di solicitud fiscal comercial den 2021 segun informacion di censo di EE. UU. E cifranan aki a supera e cifranan di 2020 cu tabata 4.4 miyon. den 2019 prome cu pandemia tabatin 3.5 miyon di solicitud nan nobo. sin embargo no necesariamente e cifranan aki ta companianan cu a habri nan porta caba ,

pero si ta indica di companianan cu lo bay lanta eventualmente aunke cu e economia a haya un impacto fuerte debi di e coronavirus.

Un di emovecionnan cu tambe tin debi di e covid ta cu e donjonan di trabao ta cumprando mas obranan di man di nan propio hendenan cu ta traha articulonnan pa vende. Esaki lo yuda tanto e personanan cu nan producto tambe. E lucha pa comerciantenan na merca ta bisto , pero sin embargo comerciantenan ta apoya nan propio hendenan y ta cana cu speranza pa e situacion di e pandemia aki pasa tras di lomba hopi lihe.

Yiunan di Michael Jackson ta presenta na apertura di show nobo “MJ: The Muscial”

(TMZ) - Michael Jackson a yega Broadway y riba dia di apertura di e show su yiunan a mira nan tata subi escenario un biaha mas.

Tur 3 di Michael Jackson su yiunan a atende e apertura mundial di “MJ: The Musical” diamars anochi na ‘Big Apple’ cu Paris y su ruman homber grandi Prince, subiendo escenario dilanti camara prome cu a subi e cortina.

Michael su yiu muhe a bisti

un shimis hopi chic y Prince a mantene su vestuario clasico cu un trahe preto. Nan ruman homber chikito, PRince Michael, ken tambe ta conoci como Blanket, despues a ser mira saliendo for di Neil Simon Theatre tambe cu un trahe preto.

Mientras cu e fanaticonan di MJ tabata hopi emocionada pa mira e difunto su yiunan presenta na e show cu hopi orguyo, e criticonan no a ser complaci pa motibo cu nan

tabata disgusta cu e contenido di e show mes, especificamente loke esaki ta cubri, y loke e no ta cubri.

Segun rumornan, e programa ta trata Michael su bida den comienzo di ananan 90 ora cu el a cuminsa su tour mundial “Dangerous”, durante cual el a biaha rond di mundo dunando un cantidad asombroso di concierto, y a recauda miyones di dollar pa obranan di caridad.

Esaki ta zona master, pero e problema ta cu no tin mencion di un gran scandal cu el a enfrenta durante e tempo aki, manera acusacionnan di abuso di muchanan y un demanda cu a resulta for di e scandal di Jordan Chandler y su famia, cual eventualmente a caba na un acuerdo di 23 miyon dollar.

Pa motibo cu e produccion di Broadway no ta menciona e topico aki mes den e show, algun ta yamando esaki un version cu censura di MJ su historia, particularmente e parti aki.

4 persona ta enfrentando cargonan criminal relaciona cu morto di actor Michael K. Williams

(AP) - 4 hende homber ken ta sospecha di ta miembronan di un grupo cu ta distribui droga a ricibi cargo den e morto pa causa di sobredosis di e actor Michael K. Williams 5 luna pasa, autoridadnan a revela diaranson.

Tur cuatro a ser aresta diamars y ta den custodia basa riba kehonan criminal na Manhattan, incluyendo acusado cu a ser aresta na Puerto Rico, segun un relato di prensa di

abogado Mericano Damian Williams y New York City Commissioner Keechant Sewell.

3 di e acusadonan a ser planea pa haci un apariencia inicial na corte federal di Mnahattan pa enfrenta cargonan di conspiracion relaciona cu narcoticonan, unda cu ta acusa nan di e distribucion di heroína cu ta contene fentanyl, cual a resulta den e morto di Williams cu a genera hopi di su fama danki na su trabao

interpretando e personahe Omar Little den e programa “The Wire.”

Examinador Medico di New York City anteriormente a declara cu Williams, di 54 aña di edad a fayece pa causa di intoxicacion di droga dia 6 di september. El a ser haya morto pa miembronan di su famia den su apartamento. Na e tempo aki, e examinador medico su oficina a declara cu Williams su morto tabata un accident.

Abogado di Merca a bisa cu e crimennan y e cargonan a resulta di un “crisis di salud publico.”

“Y esaki mester stop. Opioidenan mortal manera fentanyl y heroína no ta worry cu ken bo ta ni kico bo a logra. Nan ta keda causa adiccion cu ta yega na tragedia,” e abogado a bisa.

Sewell a conta cu detective nan na Brooklyn “a biba e caso aki, nunca parando den nan investigacion te ora cu nan por a trece husticia na

Michael K. Williams y su famia.”

Segun documentonan di corte, William’s su morto tabata resultado di droganen bendi pa un organizacion di traficaion di droga cu tin desde augustus den aña 2020 ta opera

den e bario di Williamsburg na Brooklyn.

Autoridadnan ta bisa cu miembronan di e organizacion a bende e actor heroína cu fentanyl dia 5 di september.

Apesar di tur reto social actual toch cifra di embaraso hubenil a baha drasticamente

Diamars prome di febr-

ari 2022 nos di Comision Fiho di Famia y Cuido di nos grandinan a wordo invita pa un presentacion di Wit Gele Kruis.

Durante e presentacion aki nos a ricibi resultadonan di un investigacion haci pa señorita E. Niemarkt cu ta un stagiaire na Wit Gele Kruis. E punto di enfoca di e investigacion aki tawata pa determina cua posibel factornan den ambiente di un hoben por forma un risico y asina conduci na embaraso hubenil.

E pregunta formula di e forma aki: "Welke omgevingsfactoren hebben invloed

op het risicovolle gedrag van meiden tussen de 14 en 21 jaar met een zwangerschap tot gevolg?"

Algo cu sigur a resalta pa mi durante e presentacion aki ta cu e cifranan di embaraso hubenil a baha. Na aña 2020 nos a conoce un total di 73 mama hoben y final di 2021 esaki tawata 43 mama hoben.

Esaki ta un reduccion drastico di 30 mama hoben, casi mita di e cifra di 2020. Locual cu a contribui na e reduccion aki ta cu desde 2014 a cuminsa cu un programa di educacion sexual na scolnan. Un total di 26 scol di e klasnan 5de y 6de

a ricibi e programa aki.

E ekipo di Wit Gele Kruis ta hopi contento cu e resultado di e programa di educacion sexual y di e forma aki tambe ta demostra e impacto di programanan asina. Nan a informa cu e ta importante pa cuminsa na un edad di mas o menos 10 – 12 aña, pasobra den e edad aki e muchanan ta retene informacion mas miho.

Como presidente di Comision Fiho di Famia y Cuido di nos grandi nan mi tin cu bisa cu mi ta hopi contento y kier gradici stagiaire E. Niemarkt pa a haci e investigacion aki y

asina contribui informacion valioso pa nos. Mirando e reduccion di cifra di mamanan hoben, e bon recepcion di e programa di educacion sexual y e impacto cu esaki tin riba nos hobennan mi ta haya hopi importante pa nos sigui enfoca riba esaki.

Nos pais tin varios retonan social pero e ta bunita pa mira con poco poco nos ta bay bek riba e caminda correcto unda nos por guia nos hobennan, brinda nan informacion corecto y asina asegura nan salud fisico como tambe salud mental. Hunto nos ta crea hobennan bon informa y consciente!

Prome Minister Evelyn Wever-Croes:

Contrario na ponencianan di oposicion, rapport Carmabi ta ricibiendo atencion debido di gobierno

Dialuna 31 di januari Prome Minister Evelyn Wever - Croes tabata den reunion di Parlamento pa atende cu e tema: "Rapport CARMABI" Coral Reefs Baseline Study for Aruba 2019". Contestando pregunta di miembronan di Parlamento, Premier Wever - Croes a splica di trabounan realisa den cuadro di e rapport desde cu el a ricibi esaki.

Premier Wever - Croes inicia dunando splicacion cu e rapport Carmabi a yega na su conocemento na december 2020 y dibiaha a pidi pa ricibi un presentacion di e expertonan. E periodo aki Prome Minister tabata encarga cu Ministerio di Infraestructura y Medio Ambiente.

Prome encuentro/presentacion

E presentacion a tuma lugar 20 di januari 2021 door di conseheronan/ expertonan di Carmabi. Segun Prome Minister, e presentacion tabata hopi impresionante y e conclusion tabata cu tin areanan di preocupacion. 'Mester bisa cu e rapport no ta devastador riba tur area, pero

ta pidi atencion di Gobierno riba algun area.'

Areanan di atencion/preocupacion segun e rapport
Pa loke ta trata pisca, e rapport a indica cu Aruba su awanan tin cantidad y calidad di pisca cu ta considera bon. Pa loke ta e corallan, e resultado di e investigacion tabata: mas o menos, pues e mester mas atencion. Y pa locual ta trata bacterianan den e awa esey ta punto di preocupacion y mester traha riba dje.

Prome Minister su pregunta na e expertonan tabata: si ta laat pa atende cu e puntonan di preocupacion, pa cual nan a bisa cu no ta laat, pero mester actua y no por pospone mas.

Di dos encuentro

Prome Minister a sigui splica cu mesora a traha di dos afspraak cu e expertonan, pero e biaha aki cu e Ministernan encarga cu diferente area di e problematicanan menciona den e rapport.

Minister di Finanzas, pasobra tur solucion ta costa placa, pues ta importante pa e Minister tambe ta na altura di kico e rapport ta encera. Minister

di Turismo y di Salubridad pasobra ambos sector ta afecta den e caso aki. Minister di Husticia pa e temanan di ley cu mester pasa y Minister cu tabata encarga cu Sector Primario e tempo ey considerando e situacionan cu calidad di corallan.

E reunion aki a tuma lugar dia 9 di februari 2021, Prome Minister a indica.

Institucion di comision di experto pa atende cu preocupacionnan

A base di e reunion aki, Prome Minister Wever - Croes a tuma e decision pa propone den Consejo di Minister pa introduci un comision consistiendo di diferente departamento. Pa hunto bin cu un solucion a termino cortico, a termino mediano y a termino largo, pa atende cu e puntonan di atencion di e rapport. E comision tabata encarga tambe pa presenta e costo involvi cu e solucionnan proponi.

'E biaha aki e conseheronan a pidi pa enfoca riba erosion di e beachnan y importancia di nos rifnan pasobra e rifnan ta crea santo, cu ta crea beach-

nan y consecuentemente ta crea nos economia.' Prome Minister a sigui splica cu e conseheronan a pidi tambe a pesar cu a score positivo pa loke ta cantidad y calidad di pisca), pa pone mas atencion pa proteha e 'Parrot fish' pasobra nan ta yuda mantene e rifnan.

'Mi a bay Consejo di Minister dia 12 di februari cu e proposicion pa bin cu e comision, y e comision a wordo lanta den un Ministeriele Beschikking (MB) 15 di februari.'

A pone e comision den man di liderazgo profesional y capacita di Departamento di Naturalesa y Medio Ambiente (DNM), cu hunto cu otro departamentonan, a traha riba algun sugerencia.

Mirando e periodo di Covid, cu Gobierno a bira demisionario mas o menos 1 luna despues, y teniendo na cuenta e diferente desaroyonan cu tabatin, a haya un consejo/ sugerencia na augustus. Unabes cu formacion di Gobierno a tuma lugar na september, a traspasa esaki na Minister Ursell Arends cu ta esun en-

carga cu Naturalesa. Prome Minister Wever - Croes a enfatisa cu e tin tur confiansa cu e proposicionnan aki a wordo pasa den man capacita y adecua y tin tur confiansa cu den man di Minister Arends hunto cu e departamentonan encarga, lo por ehecuta e trabounan necesario.

Prome Minister Wever - Croes a splica den Parlamento cu mirando e delicades di e tema, a tuma e decision pa no publica e rapport na e momento cu a haye, pendiente di un plan ('plan van aanpak') cu ta splica con lo atende cu e retonan y tambe con lo financia e solucionnan. A tuma e decision aki pa no trece panico innecesario. Lamentablemente oposicion a haci cune netamente locual cu kier a evita.

Pa finalisa Prome Minister a enfatisa cu Gobierno ta atendiendo cu e tema a pesar di espacio financiero limita y mientras cu ta den pandemia y crisis den diferente sector. Alabes ta segura cu e rapport tin tur atencion di e Minister encarga cu naturalesa y ta ricibiendo e atencion debido.

Lider di partido Curpa, Eric Ras:

Mal gobernacion no ta hustifica mas abuso contra empleado publico

Prome cu Status Aparte empleado public mester a entrega tempo di Antias 10% di nan salario. Na 1986 Aruba a drenta Status Aparte y empleado publico mester a entrega 7.75% di nan salario y a kita nan prima di vakantie y tur hende mester a paga un solidariteitsbelasting di 8.2%. Fuera di entrega parti di nan salario nan a entrega tambe vakantie uitkering.

Lago a cera su portanan y 340 miyon di belasting a reaparece. Hopi hende no a kere cu Aruba lo lanta cabez y dicidi di bay for di Aruba y busca un miho bida den exterior. Aruba e tempo ey a keda cu menos di 60.000 habitante y tabata conta cu solamente 186 polis. Pa mas cu 10 aña largo empleado publico no conoce ahuste di salario esta indexering mientras tur prijs si a sigui subi. Tabata tempo

di sacrificio y tur hende a sacrifica pa nos Aruba dushi tera.

Despues di 10 aña Aruba a lanta cabez y asina tur empleado publico a haya parti di nan salario back. Gobierno a privatisa empresa estatal cu a haya e mesun derechonon cu empleado publico. Den transcurso di añanan e empresanan aki a crece den salario door di CAO pero empleadonan publico si a keda atras. Durante 36 aña nos por mira cu gobierno su gasto riba personal a sigui aumenta cual tabata e motibo pakico e empleadonan publico a keda pega den salario.

E 13 ATV-dagen ta parti di e placa cu gobierno debe empleadonan publico pa e añanan di sacrificio y cu nunca kier a hink'e den nan salario. Asina tambe a nace e otro subsidionan (voorjaarsloeslag, reparatietoelag y na jaarstoelag) na aña 2014 pa

recompensa e empleado nan publico pa nan perdida. Esaki ta locual cu ta wordo yama inhaalmanoeuvre. Contrario na e empleado publico, e empresanan estatal si a conoce un mehoracion den salario pa medio di nan CAO y no por compara cu e salario di empleado publico.

A hisa edad di pensioen di empleado public na 60 aña y despues na 65 aña. Ademas a bin cu e nieuwe pensioenregeling cu ta un sistema di salario promedio. E tristo di esaki ta cu esnan cu a baha cu pensioen cu a sacrifica te aña 1995 no a haya e ahustenan aki den nan salario ora di bay cu pensioen.

Awe ainda nan ta bringa pa nan derechonon. Pais Aruba no sa di honra nan hendenan cu a sacrifica y cu awe otro ta gosa di e beneficiacion di nan sacrificio.

For di November 2018 gobierno di Aruba a firma un protocol cu Hulanda na unda a primiti di lo baha e gasto di personal pero te cu dia di awe e la keda na promesa so. Awe den 2022 keto bay gobierno ta sigui tuma hende den servicio. Despues di a gaña empleadonan publico cu e entrega di 12.6% lo a bay pa yuda esnan cu ta cobra fase, e la bay pa tuma hende den servicio.

Gobierno ni un dia a sinta na mesa cu e sindicatonan pa e entrega di 12.6% sino a dicidi dictatorialmente di kita e 12.6% y despues sconde tras di lomba di Hulanda. Awor gobierno den nan manera di dicta kier kita e 13 ATV-dagen na luna di maart 2022. Si mira bon e 12.6% ta representa 33 dia pa aña.

Tin placa pa tur fiesta sigui y riba dje ta bay Honduras pa instalacion di un president

socialista/comunista. Costo di bida ta sigui subi y kier pa tur hende baha gasto pero pa gobierno si e no ta conta. No lubida cu aña pasa parlamento a bay di acuerdo pa tuma 153 hende den servicio di gobierno. Segun informacion tin mas cu 200 hende a wordo tuma den servicio di gobierno. E 200 hendenan aki nan salario lo a sirbi sigur pa duna e empleadonan publico nan 12.6% back y tur hende lo ta feliz. Nos di partido CURPA ta laga nos voz sigui resona pa tanto inhusticia cu ta tumando lugar.

Parlamentario Arthur Dowers

Friends and family ta landa den placa pero trahadonan publico tin cu sacrifica

Ta di lamenta pa mira con gobierno kier pasa sindicatonan un 6 pa un 9 ya cu nunca antes por a biba pensa c'un gobierno por horta placa di sindicatonan y trahadonan, gañando trahadonan cu e ta bay usa e placa aki pa paga pa FASE, cu despues a resulta cu esaki tabata un mentira grandi, Parlamentario Arthur Dowers a declara.

Simplemente loke gobierno a haci e tempo ey pa e por a cubri gastonan di 'fiends and family' ta di sigui cu su mal maneho di yuda 'friends and family' a dicidi cu na luga di baha gastonan di personal manera CAFT a existi, gabinete Wever Croes a dicidi cu e ta bay horta placa for di e trahadonan publico.

Ta hopi tristo pa realisa cu gobierno na e momentonan aki a corta y ta sigui corta placa di trahado, siendo cu su coordinadonan keto bay ta haya 25% di aumento riba nan salario,

nan ta haya nan autotoelage, nan ta haya kledingtoelage y telefoon toelage, siendo cu e grupo aki no mester entrega esaki ya cu nan ta forma parti di e clan di 'friends and family.'

Na momento cu aki tin miembronan di famia di Evelyn Wever Croes cuta cobrando mas cu 10 mil florin pa luna, mas cu mayoria di di-

rectornan den e pais aki, un of mas miembro di famia, sea delincuente of no, cobrando e tipo di salario aki pasobra e maneho di friends and family tin cu sigui.

Loke ta un berguensa ta e hecho cu por tende cu gobierno ta bay bisa un maestro cu e ta dispuesto pa duna nan parti di nan placa bek pero hortado otro derecho cu e trahado aki tin.

Ta un berguensa si bo a kere cu gobierno ta kere c'un maestro di scol no ta compronde kico gobierno ta haciendo, anto e ora gobierno a perde strea di noord y loke ta hopi dramatico den e proceso aki, ta pa mira con hustamente enseñansa, un sector cu a sufri mas tanto ultimo añanan, caminda den tur otro pais rond mundo ta inverti mas placa den e sector aki, pa asina nan Sali for di e retrasonan cu nan a haya na momento di e pandemia.

Pero na pais Aruba tin un gobierno cu ta bin cu e sugern-

cia pa corta riba e maestronan, cu e consecuencia cu maestronan lo tin cu traha menos ora y esaki simplemente no por cu na Aruba maestronan tin cu bay traha menos ora na luga di duna maestronan nan salario completo pa asina nan por cumpli cu su tarea di percura pa futuro generacionnan no ta perde loke ya nan a perde caba.

Mester realisa un cos, cu den pasado caminda mi persona como Minister di Enseñansa, nos gobierno a pone miyones adicional pa percura pa maestronan duna extra les den un periodo cu no tabatin pandemia, cu no tabatin muchanan cu tin lunanan largo no a haya les.

Na e momentonan aki caminda nos tin un situacion asina delicado caminda muchanan no ta hayando les, caminda nan ta cayendo atras den nan les y caminda nan ta cayendo atras den exterior pa loke ta nan lesnan, nos tin un situacion caminda gobierno ta biniendo c'un idea ridiculo

pa corta riba salario di maestronan.

Pais Aruba ta e unico pais caminda den pleno pandemia a baha salario di polis, ya cu ningun otro pais na mundo a baha salario di polis pero na Aruba gobierno a haci e coy bestia ey y ta sigui haci esaki.

Salario di douanerpman a wordo baha y por mira cuanto problema tin cu droga den e pais y douaneronan ta hunga un rol importante esaki, tambe gobierno ta bira corta e grupo aki.

Douanernan ta importante pa economia di e pais sigui cana pero gabinete Wever Croes ta dicidi cu mester corta den nan salario, algo cu simplemente no por y no tin hustificacion pero asina mes por mira cu sindicatonan cu ta bon buena fe, ta sigui sinta na mes cu gobierno pa mira si por yega na un solucion acaetabel pa nan pero mi persona ta kere cu gobierno a bin cune pero sindicatonan no por biba cu esaki," Parlamentario Arthur Dowers a declara.

Dos tercer parti di muhenan hoben ta victima di acoso sexual riba caya

(NLTimes) - Dos den cada 3 muhe tabata sexualmente acosa y abusa riba caya den e aña pasa.

Hombenan ta keda fluit ora nan pasa, nan ta yama nan, y den varios ocasion ta hasta core nan tras, segun figuranan di Statistics Netherlands (CBS) riba diaranson.

E participantenan di e encuesta tabata muhenan hoben, di 12 pa 25 aña di edad, kendenan hopi biaha ta ignora e trato aki.

E manera mas comun di acoso riba caya ta pa medio di fluit, e investigadornan a mira. Mita di e hende muhenan cu a participa den encuesta a ricibi fluitnan cu no tabata desea por lo menos un biaha

y mas. Cu un frecuencia di mas o menos 40 porciento, ta acoso pa medio di yama of grita e hende muhe.

Segun e participantenan, e manera mas menasante y cu mas miedo ta causa den nan

ta ora cu e acosador ta cuminsa cana of core nan tras. Mas o menos un kwart di e participantenan a experiencia

esaki durante e ultimo aña.

Muhenan di entre 18 pa 21 aña di edad ta mas probabel di cay victima di e trato aki riba caya, cu 3 kwart experienciando e trato aki durante e ultimo aña. Entre muchanan hoben, di entre 14 pa 18 aña di edad, esaki ta 70 porciento.

Un den cada 3 hende homber ta experiencia e trato aki tambe. Esaki mas tanto ta concerni mucha hombernan hoben mas cu hombernan adulto.

E cifranan aki relaciona cu acoso riba caya ta referi na 12 luna prome cu a completa e encuesta. CBS a tene e encuesta aki entre februari te cu mita di april den aña 2021. Mas di 8,000 persona a participa.

(NLTimes) - PvdA, GroenLinks y SP ta creando nan mesun ley pa loke nan ta yama “impuesto husto riba rikesa”.

E partidonan isquierdista ken ta forma e oposicion kier un impuesto progresivo; Mientras mas haltu e rikesa, mas haltu e impuesto cu mester paga riba esaki.

Segun e partidonan,

personanan cu tin un entrada averahe cu ta spaar no lo sufri cu e impuesto aki, pa motibo cu e impuesto lo aplica solamente pa famianan unda cu tin dos entrada y ora cu ta surpasa 100,000 pa 200,000 euro. Ningun impuesto relaciona cu rikesa mester paga riba e balor di e cas unda e doño ta bibando.

Den e proposicion, cualkier persona cu tin entre 100,000 pa 500,000 euro den sea

Oposicion isquierdista Hulandes ta propone “impuesto husto” riba rikesa

cuenta di spaar of inversion por chempel, lo paga un porciento riba e suman. Esaki lo keda aumenta gradualmente te cu 5 porciento pa bienes cu ta riba di 5 miyon euro. E meta di e proposicion aki ta pa yuda combati e falta di igualdad cu tin ora ta trata di rikesa den e pais, y asina tambe segura cu e personanan cu hopi rikesa paga “un contribucion husto” na servicicionan publico.

“Hendenan cu ta traha duro ta paga impuesto te cu nan ta keda hasta sin placa, mientras cu bienes nan grandi of personanan cu hopi rikesa poco bes ta ser cobra,” miembro di PvdA Henk Nijboer a expresa. “Esaki ta inhusto y mester cambia. Introduccion di un impuesto

progresivo pa cu rikesa ta social y ta reduci e falta di igualdad.

E iniciadornan a trece dilanti cu e Corte Supremo recientemente a modifica e impuesto riba bienesnan bao di 50,000 euro. E impuesto tabata depende riba un suma fiho, cual personanan no tabata por a logra cu e interes baho den añanan recien.

Gobierno kier un impuesto nobo pero esaki no lo ser introduci te cu aña 2025. “Si nos no haci nada, personanan cu ya caba tin hopi rikesa lo keda bira rico mientras nan ta drumi, sin contribui nada na nos sociedad, mientras cu e presion ta keda aumenta riba hendenan ordinario,” parlamentario Mahir Akaya

di SP a declara. “Nos kier preveni esaki.”

Segun GroenLinks su miembro Senna Maatoug, falta di igualdad ta menasa di solamente sigui crece den e ananan cu ta bin. “Nos mester trata e politica aki y impuestonan na un manera husto.”

Scolnan tin miedo di contrata freelancers aunke tin escasez di docente

(NLTimes) - Apesar di e gran escasez di empleo den educacion, hopi scol ta nenga di contrata freelancers pa motibo cu nan ta preocupa tocante revisionan adicional y boetnan si resulta cu nan ta mira como un empleado, BNR a reporta.

Varios asociacion di freelancers a yama esaki “tristo” pa motibo cu uso di freelancers por preveni cu klasnan lo

mester ser manda cas pa motibo cu no a haya un docente.

Incertidumbre tocante e acta DBA ta causando e preocupacion aki, segun president Cristel van de Ven di e asociacion Hulandes di freelancers VZN. E ley aki tin e intencion di laga cla na ki momento tin un relacion di empleo. “Pero Gobierno tin hopi tempo ta bisa ‘e ley ta ey, pero nos no lo practica esaki’. Na mesun momento, nos sa

cu na cualkier momento por cuminsa practica esaki.” Pa e motibo aki, scolnan no kier tuma e riesgo y a stop di traha cu freelancers.

Politiconan tambe tin hopi tempo ta boga pa menos freelancers den educacion. E argumento ta cu freelancers ta hopi mas caro y pa motibo aki ta bira un uso inapropia di placa publico, segun BNR.

Conseho di scolnan se-

cundario VO-Raad a confirma cu mayoria di scolnan secundario no ta usa freelancers. Scolnan ta prefera duna un persona un contract temporario y no contrata nan como un freelancers.

Ademas di e riesgo di empleo ficticio, scolnan tambe ta preocupa cu docentenan lo termina nan contract y cuminsa traha como freelancers, cual ta pone den peliger e continuidad di educacion, VO-Raad a conta e noticiero.

Boneriano y riba turismo di balor halto cu tiki impacto. Esaki ta encera: redefini Boneiro como un destinacion 'premium' unico, un manera pa hui for di stress di tur dia y haci contacto atrobe cu naturalesa. Nos strategia regenerativo coerente ta encera:

atrae e tipo di turista corecto – un cliente activo y prospero cu ta en busca di un producto autentico y nos esfuersonan pa mehora e experiencia turistico: pone enfasis riba nos cultura, nos arte culinario y e diversidad di aventura riba tera y den lama di Boneiro.

Burney Fonseca a pasa di Hulanda pa SDKK na Corsou

Burney Fonseca ta back na Corsou. Pa esunnan cu no ta corda Fonseca, e ta e persona di 50 aña cu tabata e cabes di e planificacion di e asesinato di e popular politico y miembro di parlamento Helmin Wiels.

Burney Fonseca tabata cera na un prizon na Middelburg na Hulanda, pero e la keda manda back Corsou y awor ta cera na SDKK na Koraal Speckt Corsou. Fonseca a haya un castigo di 28 aña di prizon y ta cera for di aña 2018 na Hulanda, a manda Fonseca Hulanda pa su sigu-

ridad.

Normalmente personanan cu ta comete un delito na un pais lo mester sinta nan castigo na e pais cu nan a comete esaki, pero pa su siguridat a mand'e Hulanda mirando cu e politico cu a keda mata tabata uno basta popular na Corsou y e menasanan tabata serio na su contra. Sinembargo awo e situacion di e pensamiento y e situacion na Corsou ta diferente a dicidi di traslada e preso back pa su isla natal Corsou mirando cu e menasanan awor ta hopi mas menos cu e tempo di e sucedido y caso.

Taxistanan na Corsou no por protesta mas

E taxistanan na Corsou cu ta rabia nan no por protesta mas dilanti di e turistanan cu ta bishita Corsou. Esaki ta un di e acuerdonan cu a keda haci durante di un reunion cu e companianan di taxi cu Minister di economia y desaroyo sostenibel Ruisandro Cijntje.

Tambe awor ta disponibel un grupo di persona cu e taxistanan por yega y entrega nan kehonan y tur loke cu ta preocupa nan. Siman pasa e taxistanan cu tabata rabia nan a blokia e salida di Mega Pier na momento cu e turistanan crucero tabata den bus pa asina nan haya nan tours nan pa conoce e isla.

E decision aki tabata un maneho di e barconan crucero a bin cu ne. Mirando e situacion di COVID nan tabata desea di haci un maneho di bubble pa asina e turista ta mas safe na momento cu e ta riba e isla. Sinembargo e maneho aki no a cay na agrado na Corsou y a pone cu e taxistanan a protesta y e resultado di esaki ta cu ya e maneho di bubbel no ta existi mas. Sinembargo no ta solamente Corsou a haya su mes den e problema aki di Bubbel, pero Aruba tambe y na unda cu e taxista nan di Aruba tambe a haci nan protesta igual cu Corsou.

No a dura hopi cu Minister Cijntje a duna di conoce cu a maneho di bubbel no lo sigui debi cu e la keda elimina.

Virginia judge weighs governor's power to lift mask mandate

(AP) — Virginia Gov. Glenn Youngkin has broad power to issue executive orders overturning mask mandates in schools, lawyers from the state Attorney General's Office argued Wednesday, while lawyers for local school boards argued that the governor's action usurps their authority.

An Arlington County judge heard arguments from both sides in a lawsuit the school boards filed against Youngkin. She said she would issue a ruling soon.

In the meantime, schools and parents are left with uncertainty. School boards across the state have refused to implement an executive order from the new Republican governor that not only overturns a statewide mask mandate, but also bars local jurisdictions from imposing a mandate on students.

At Wednesday's hearing, Deputy Attorney General Steven Popp argued that Youngkin is entitled to issue executive orders responding to the coronavirus pandemic just as his predecessor, Democrat Ralph Northam, did when he imposed a statewide school mask mandate.

But John Cafferky, a lawyer for Alexandria Public Schools — one of seven school boards that jointly filed the lawsuit opposing Youngkin's order — said Northam's actions were justified because he was acting to preserve public health. Youngkin's order, on the other hand, endangers public health, he argued. He said Youngkin is using powers designed to curtail public health crises to impose his personal philosophy that parents should decide whether their children wear masks.

Cafferky also cited a state law that requires schools to adhere to guidelines from the Centers for Disease Control and Prevention to the extent practicable, and said those guidelines recommend universal masking.

Popp, though, countered that no school board is able to adhere to every single CDC guideline. The CDC also has called for vaccinating all children age 5 and older, but no school board has seen fit to issue such a requirement, he said.

Circuit Court Judge Louise DiMatteo took the arguments under advisement after Wednesday's hearing, but said she is cognizant of the need for a swift decision. Both sides have asked for an injunction that would likely apply statewide, either barring implementation of Youngkin's order or requiring local school boards to implement it, depending on which way she rules.

NYC honors officer at funeral hours after another is shot

(AP) — Throngs of police converged Wednesday for New York City's second funeral in a week for an officer ambushed while answering a call for help in Harlem, mourning Wilbert Mora hours after yet another colleague was shot and wounded.

Organ music filled Fifth Avenue as Mora's funeral began Wednesday morning at the Roman Catholic cathedral where his police partner, Jason Rivera, was eulogized Friday. Both young officers were shot Jan. 21 while responding to a call about a domestic argument in an apartment.

Mora, a Dominican immigrant, joined the police force in 2018, hoping to help reshape relations between the New York Police Department and communities that have chafed at its tactics.

"He policed with empathy

and believed in protecting his fellow man, regardless of the danger to himself," his precinct commander, Inspector Amir Yakataly, said in a eulogy.

Dedicated, thorough and an aspiring sergeant, "he was a guy to rely on to make the right call," Yakataly said.

Mora's contributions to others continued after his death, when the 27-year-old's organs were donated to five different people in need.

Mora's funeral came shortly after the sixth shooting this year of an NYPD officer.

An off-duty police officer was shot and wounded when two men approached him at a Queens traffic light as he drove to work Tuesday night, police said. The officer was stable at a hospital Wednesday, and two men were arrested.

Mora, who came to the U.S. in childhood, joined the NYPD after graduating from John Jay College of Criminal Justice. As a student who'd grown up in East Harlem, he was interested in improving relations between police and the neighborhoods they patrolled.

Mora made 33 arrests during his few years on the job, while impressing fellow officers and supervisors as humble, helpful, eager to learn and keen to cultivate bonds with co-workers.

"Wilbert was the perfect candidate to join the NYPD," Police Commissioner Keechant Sewell said Wednesday as she posthumously promoted him, like Rivera, to detective. "No one had to tell him to become a police officer. It was all he ever wanted to do."

"It's a horrible loss for the community, for the city, for anyone that's a first respond-

er," Linden, New Jersey, Officer Raymond Wegrzynek, 34, said outside St. Patrick's Cathedral on Wednesday for the latest in a series of police funerals he has attended in his six years of police work. "It's a thing that we do. We all come together."

The gunman who killed Mora and the 22-year-old Rivera, Lashawn McNeil, died after a third officer shot him as he tried to flee, officials said.

Before last month, the NYPD had last lost an officer in the line of duty when Anastasios Tsakos was hit by a suspected drunken driver in May 2021 at the scene of an earlier wreck.

No on-duty NYPD officer had been fatally shot since September 2019, when Brian Mulkeen was hit by a fellow officer's fire during a struggle with an armed man.

UCLA classes resume after ex-lecturer arrested over threats

(AP) — Classes resumed Wednesday at the University of California, Los Angeles after a former lecturer was arrested on suspicion of threatening violence against the school in online videos and an 800-page document sent via email.

Matthew Harris, 31, was taken into custody Tuesday in Colorado following a standoff at his Boulder apartment complex that ended peacefully.

Colorado prosecutors said late Tuesday that federal charges were pending against Harris and that he was trans-

ferred to federal custody. It wasn't immediately known if Harris had a lawyer who could speak on his behalf.

Months before the threats against UCLA, Harris was the subject of a restraining order after sending threatening messages saying he would "hunt" and kill a professor, court documents show.

UCLA officials canceled in-person classes Tuesday after police said Harris, who had lectured in the UCLA philosophy department, sent the email early Sunday to some of his former students. The university's police department tracked Harris to Colo-

rado and reached out to law enforcement in Boulder on Monday.

University officials did not describe the email but Los Angeles Police Department Chief Michel Moore said Harris was "potentially planning for a mass violence or shooting event at UCLA." The university has more than 31,000 undergraduate students and 14,000 graduate students.

UCLA freshman Celine Truong told KTLA Wednesday morning that she was "so ready" to be back to in-person learning.

"Everybody on campus was so scared," she said.

In Boulder, Police Chief Maris Herold said officials reviewed the manifesto and "we identified thousands of references to violence, stating things such as killing, death, murder, shootings, bombs, schoolyard massacre in Boulder and phrases like 'burn and attack Boulder outside of the university.'"

Herold said police had contact with Harris in October, though no criminal charges were filed, and authorities are reviewing their reports from

that encounter.

Authorities said he attempted to buy a handgun in November but his purchase was denied. Officials believe the transaction did not go through because of a California-based protection order that said he could not purchase or possess a firearm.

Harris was placed on leave from UCLA last year and a philosophy professor at the University of California, Irvine was granted a restraining order against him after he sent emails to his mother threatening to "hunt" the professor and "put bullets in her skull." Harris' mother alerted the woman.

Harris' mother and the professor could not be reached for comment.

The police search for Harris began after he sent his former students an email early Sunday that was full of slurs against Jewish and East Asian people, according to the Los Angeles Times. The email included links to what police termed a manifesto and videos, the Times reported, including one titled "UCLA PHILOSOPHY (MASS SHOOTING)."

Harris makes racist comments in several of the videos and cryptically names specific locations on the UCLA campus, noting that they've been added to his "list," according to the Times.

The UCLA video included footage from the 2017 mass shooting at a Las Vegas music festival, the newspaper reported, as well as clips from "Zero Day" — a 2003 film that was loosely based on the mass shooting at Colorado's Columbine High School.

Harris, who didn't appear to have any criminal record, began working at UCLA in the spring of 2019 as a postdoctoral fellow, according to a newsletter from the university's philosophy department. His focus was on "philosophy of race, personal identity, and related issues in philosophy of mind."

On bruinwalk.com, a website where UCLA students can post anonymous reviews of professors and other staff members, Harris got low ratings. In one review, a student wrote that Harris is "extremely unprofessional."

"I have no idea how this guy is still teaching," another student wrote.

Biden grappling with 'perfect storm' of rising gun violence

(AP) — Illegal guns are flooding the streets. Teenagers are being murdered. And alarming numbers of police officers have been shot dead.

Gun violence already on the rise during the pandemic is spiking anew, and beleaguered cities are struggling with how to manage it. President Joe Biden visits one of them, New York, on Thursday as he tries to dispel criticism from the right that he hasn't been tough enough on crime.

Biden will showcase federal, state and local efforts to get guns and repeat shooters off the streets. But there are limits to what the president can do when there is no appetite

in Congress to pass gun legislation. The strongest effort in recent years failed, even after 20 children and six adults were killed in the 2012 Sandy Hook school shooting in Newtown, Connecticut.

Biden also is trying to navigate the complex politics of the moment: finding ways to combat crime while also pushing for greater accountability after killings of Black people by police. The two efforts do not have to be at odds, though they are often billed that way.

All this unfolds against the backdrop of recent polls showing that Americans are increasingly concerned about crime, and that Republicans have an advantage over Dem-

ocrats as the party that would do a better job dealing with it. The White House is pushing back against GOP efforts to paint Biden as soft.

"I think we all agree or should agree that violent crime is a serious problem," White House press secretary Jen Psaki said this week. "Our view is that instead of turning this into a political football, we need to be focused from the beginning of the president's time in office on reducing crime and keeping our communities safe."

Guns are at the center of the debate as the nation grapples with homicides that spiked nationally in 2020. At least seven 16-year-old kids were killed in shootings last year in

New York alone. And 32 officers have been shot on the job so far in 2022, five fatally. Two died in New York in two weeks and two campus police were killed in Virginia on Tuesday.

Americans purchased a record number of firearms in 2020. Law enforcement officers recovered historically high numbers of firearms last year and are coming across more firearms stripped of serial numbers, making them impossible to trace.

Some early data suggests that the period between when a gun was purchased and used in a crime and recovered by police has shortened, compared with earlier years.

Police are conducting less proactive investigations, while communities are reporting fewer crimes and offering less information when police try to solve them, in part because a widening gulf of mistrust following a focus on killings of Black people by police and the unrest that followed.

"Into all of this walks the president of the United States, who has a 25-year history of work on these issues," said Chuck Wexler, executive director of the Police Executive Research Forum, an organization dedicated to improving the professionalism of policing.

While in New York, Biden will meet with new Mayor

Eric Adams, a former police captain. Once an outspoken critic of his own department and someone who was beaten by police as a teenager, Adams portrayed himself during his campaign as someone who could bridge the divide between the New York Police Department and activists pushing for major change. Adams' tough-yet-middle-ground approach is one that Biden and other moderate Democrats have sought out, especially as they try to distance themselves from calls from progressives to shift money away from police departments and into social programs.

So far, Biden has given two major speeches from Washington on crime. He has acted to crack down on "ghost guns," homemade firearms that lack serial numbers used to trace them and are often purchased without a background check. And he has worked to tighten regulations on pistol-stabilizing braces like the one used in a Boulder, Colorado, shooting that left 10 people dead.

Biden has proposed a large increase in dollars for local community policing programs and encouraged cities to invest some of their COVID-19 relief money into policing and pushed alternative crime reduction steps such as increased community support and summer jobs for teenagers.

Some have done so.

Trump's heir? Some supporters eye DeSantis as alternative

(AP) — There was something different next to the "TRUMP WON!" T-shirts, the "MAKE AMERICA GREAT AGAIN" hats and the "LET'S GO BRANDON" flags for sale at former President Donald Trump's recent Texas rally: a collection of "DeSantis 2024" bumper stickers.

Nikki Rye, who lives in Florida and has been selling Trump gear at his events since 2015, said the merchandise hyping her state's Republican governor, Ron DeSantis, "is a very, very sought-after item." Beyond the stickers, a life-size cutout of DeSantis stood at one side of her shop, with Trump flanking the other.

As Trump aims for a political comeback, the DeSantis memorabilia signaled a shift emerging among the MAGA faithful. While the vast majority of the more than two dozen people interviewed at his rally at a Texas fairground cheered the prospect of another Trump White House bid, some began to concede that there might be better options.

And for anyone toying with a Trump alternative, DeSantis topped the list.

They were people like Kim Mitchell, 62, who lives in Canyon Lake, Texas, and was overjoyed to be seeing Trump in person. She and her husband have been long-

time supporters; a Trump flag hangs proudly in his automotive garage. And if Trump goes through with another run, they both say they'll support him.

But Mitchell said she could see the benefits of a less polarizing alternative.

"You know, there's several people out there that seem to have the same beliefs that he does. And people don't hate them," she said, blaming Biden's victory on a combination of election fraud — which election officials and courts have rejected — and the visceral dislike Trump inspires. "I hate to say that because I feel like I'm being disloyal."

But she's not alone.

A recent poll from The Associated Press-Center for Public Affairs Research found that while 71% of Republicans have a favorable opinion of Trump, a smaller percentage — 56% — want him to run again in 2024. The poll found 44% of Republicans do not want Trump to run.

Meanwhile, a recent NBC poll found that, by a 20-point margin, Republicans now identify more as supporters of the Republican Party than supporters of Trump — a reversal from the sentiment before the 2020 election.

Longtime GOP pollster Frank Luntz, who has con-

ducted focus groups of voter opinion, said Republicans have fractured into three distinct blocs: those who have moved on from Trump, those who "will follow him off a cliff," and those who "really appreciate him, follow him, are still strongly favorable towards him," but are looking for another option.

The cracks in support are forming as Trump often appears more interested in relitigating the 2020 election than focusing on issues affecting voters' daily lives, such as inflation. That could give an opening to someone like DeSantis, who has branded himself in Trump's mold, but has less baggage in national politics.

EU wants to allow natural gas, nuclear in green investment

(AP) — The European Union on Wednesday proposed including nuclear energy and natural gas in its plans for building a climate-friendly future, dividing member countries and drawing outcry from environmentalists as “greenwashing.”

The green labeling system from the European Commission, the EU’s executive arm, would define what qualifies as an investment in sustainable energy in the 27-nation bloc. Under certain conditions, gas and nuclear energy could be part of the mix, making it easier for private investors to inject money into both.

The plan will please the EU’s two most powerful nations: France is reliant on nuclear power, which raises concerns about its long-term impact on the environment, and Germany depends on gas, a fossil fuel many consider a bridge to renewables. EU members like Austria and Luxembourg already have raised the possibility of legal disputes as they challenge the green notion of nuclear.

The commission says including nuclear and gas as tran-

sitional energy sources does not amount to a free pass and aims to accelerate efforts to reduce carbon emissions.

“We are setting out strict conditions to help mobilize finance to support this transition away from more harmful energy sources like coal,” said Mairead McGuinness, the commissioner in charge of financial services.

Critics call it a big blow to climate goals.

“This anti-science plan represents the biggest greenwashing exercise of all time. It makes a mockery of the EU’s claims to global leadership on climate and the environment,” Greenpeace EU sustainable finance campaigner Ariadna Rodrigo said.

With the EU aiming to reach climate neutrality by 2050 and to cut greenhouse gas emissions by at least 55% by 2030, the bloc says the so-called taxonomy classification system is crucial to direct investments into sustainable energy.

Energy use accounts for about three-quarters of the greenhouse gas emissions produced in the EU. Com-

mission officials believe that as long as there are not enough renewables available, gas and nuclear will help phase out more harmful energy sources.

Under the plan, gas projects must meet emission thresholds and achieve reduction targets. They also should replace existing coal facilities that cannot be substituted with renewables and switch to renewable or low-carbon gases by 2035.

For nuclear, the commission said research, development and use of advanced technologies reducing waste and improving safety will be included. New nuclear plants producing electricity or heat are allowed until 2045.

France, which derives about 70% of its electricity from nuclear energy, led the charge for its inclusion with several other EU countries that operate nuclear power plants. A low-carbon alternative to fossil fuels, nuclear energy represented around 26% of the electricity produced in the bloc in 2019.

Germany, Europe’s largest

economy, demanded that gas be part of the plan. It shut down half of the six nuclear plants it still had in operation in January, a year before the country draws the final curtain on its decadeslong use of atomic power.

Gas, while a fossil fuel, is considered by the EU to be a bridge to a cleaner energy future, and officials said its inclusion in the taxonomy aligns with the international goal of trying to limit warming to 1.5 degrees Celsius (2.7 F) above pre-industrial times.

Protesters from the Avaaz network wore masks of European Commission President Ursula von der Leyen,

French President Emmanuel Macron and German Chancellor Olaf Scholz as they posed in front of a tombstone reading, “RIP EU Green Deal. Killed by Gas and Nuclear.”

“What is happening today is the commission are labeling gas and nuclear as green energy, and in doing so, they are going to be channeling billions of euros away from renewables and towards dirty climate projects,” activist Sam Ryan said.

The commission’s plans still need the backing of a large majority of the 27 member states and a simple majority in the European Parliament.

Asian Americans mark Lunar New Year amid ongoing hate crimes

(AP) - For two years now, Asian Americans and Pacific Islanders across the country have endured racist verbal, physical and sometimes deadly attacks fueled by the coronavirus pandemic.

With the start of the Lunar New Year, many are looking forward to carrying out family traditions and joining in community celebrations throughout February. These include family din-

ners and giving children red envelopes filled with money. New York, Chicago and San Francisco are among the cities with parades planned later this month in their respective Chinatowns.

The Year of the Tiger — a Chinese zodiac symbol that represents strength and courage — also is the perfect time to convince Asian elders who have lived in fear because of widespread anti-Asian sentiment to join in the festivities.

“We really just want to share our culture, and basically be able to celebrate this joyous event with everyone,” said William Gee, a longtime organizer of San Francisco’s annual Chinese New Year Parade & Festival. “Just the presence alone in numbers, it might actually deter anything — any malicious or nefarious activity that might be planned.”

While most Lunar New Year revelry was sidelined last year because of COVID-19, many outdoor events are returning with organizers encouraging masking for the public but mandating them for staff. The various parades will feature floats, marching bands, lion dances — and even “Star Wars” cosplayers in San Francisco.

“I hope anyone that is actually in fear of stepping outdoors because of everything that’s been happening can find assurance and a bit of solace, in terms of coming to an event

where you’re going to be surrounded by like people,” Gee said.

Several cities that are holding parades and festivals held rallies recently marking the one-year anniversary of the deadly attack on Vicha Ratanapakdee. The 84-year-old Thai American was assaulted while walking in his San Francisco neighborhood.

His death was one of the first reported in what has been a series of fatal incidents targeting Asian Americans and Pacific Islanders. The grim anniversary came just a couple of weeks after the death of Michelle Alyssa Go in New York City’s Times Square. The 40-year-old died after a mentally unstable man shoved her in front of a subway.

Amanda Nguyen, an activist whose January 2021 Instagram video highlighting attacks on elderly Asians gained wide attention, said the continuous hostility is all the

more reason to openly celebrate Asian cultures. Having fun with family and friends isn’t dismissing tragedy but rather “the most radical form of rebellion.”

Russell Jeung, co-founder of Stop AAPI Hate, which has been tracking incidents nationwide based on victims self-reporting, said nervous elders in Chinatowns are stuck in “de facto segregation.” For two years, they’ve limited themselves to certain streets or neighborhoods.

Earlier this month, the San Francisco Police Department reported that anti-Asian hate crimes in 2021 jumped 567% from 2020. Preliminary data collected by the Center for the Study of Hate and Extremism indicates Los Angeles and New York also saw record highs of anti-Asian hate incidents. Georgia saw the most fatalities after the March 2021 Atlanta-area spa business shootings that left six Asian women dead.

Hunger crisis looms in Nigeria's 'food basket' amid conflict

(AP) — It's 2 p.m. and Hannah Mgbede asks her husband if she can take her first break of the day from threshing rice so she can breastfeed their 18-month-old baby girl fastened to her back during the grueling work.

Her husband Ibrahim Mohammed, 45, used to harvest as many as 10 bags of rice a year from his farm. But that dropped to just three bags after attackers burned his home to the ground a few years ago, as violence between farmers and herders escalated across the northwest and central

parts of Nigeria.

With that decreased yield, Mohammed hasn't made enough money to buy seedlings to grow yams, soybeans and guinea corn (sorghum).

Here in Benue state, harvests of rice, yams and soybeans were once so bountiful that it was called the "food basket of Nigeria." But waves of violence over the last several years have reduced crops in the northcentral state of Africa's most populous nation.

More than 1 million farmers in the state have been dis-

placed because of the inter-communal violence between herders and farmers competing for water and land, say officials.

"We are heading to a food crisis," Benue state Gov. Samuel Ortom told The Associated Press.

Across northern Nigeria, at least 13 million are now facing hunger amid a lean season, according to the U.N. World Food Program. The violence has also disrupted the sales of food as roads are too unsafe for farmers to transport crops and marketplaces have been razed by attackers.

Rice production has dropped so much that its price has jumped more than 60% in Benue state as well as some other parts of the country.

Thousands of Nigerians have been killed in the decades-long clashes between agrarian communities and nomadic cattle herders who are fighting over limited access to water and grazing land. The farmers often accuse the herders of encroaching in

their fields while the herders, mostly from the Fulani ethnic group, claim the croplands are their traditional grazing routes.

The government has now launched an initiative under the National Livestock Transformation Plan in the hope of resolving the conflict which has been worsened by the proliferation of arms and the government's failure to prosecute past perpetrators from both groups.

About 3,000 people who have fled the violence in Benue state are now living at a camp in Guma local government area.

Mtonga Iliamgee, 43, says every day is a struggle to feed her family of 10. She was seen preparing their only meal of the day at 1 p.m.

Felix Agune, the deputy head of the camp school, says some children come to class crying that they've had no breakfast. Non-government organizations are trying to fill the gap but it is "nothing compared to the massive hunger spread across Benue state," said Rex

Elanu, a program director for the One to One Healthcare Initiative.

Government officials insist they are working to make farmlands safe enough for people to return and work the land. They're also trying to encourage nomadic herders to take up ranching so they are less at odds with farmers.

Seeds and fertilizers have also been supplied to farmers in the past to enhance food production, cushion the effect of the pandemic and encourage more youths to go into agriculture, according to a spokesman of the agriculture ministry.

Despite the violence, Nigerian farmers have been able to produce enough crops to keep the country self-sufficient in staples such as rice, cassava and yams.

Farmers are resilient but also afraid because some who have attempted to go back to their farms have been killed, warned Ortom, the governor of Benue state.

New report details labor rights abuses at Dubai's Expo 2020

(AP) — The legions of workers who built Dubai's extravagant Expo 2020 site and keep it running face exploitation, grim conditions and a wide range of labor abuses, according to a new report released on Wednesday by a London-based labor rights group.

The report by consultancy Equidem also said that the United Arab Emirates government had failed to demonstrate that its commitments to worker welfare at the multibillion-dollar Expo had corrected, let alone identified, rights violations.

It comes after The Associated Press published an investigation based on interviews with over two dozen Expo workers about their grievances, including their payment of illegal recruitment fees, employers' confiscation of passports and inadequate food. That article also drew on Equidem's previous research into the conditions of construction workers a year before the world's fair opened, when workers said they were denied wages for months amid

the coronavirus outbreak.

Expo organizers did not respond to requests for comment about the report. Emirati authorities also did not respond to requests for comment.

The 37-page Equidem report — based on nearly 70 interviews with migrant workers at Expo over three months last fall — represents a comprehensive analysis of the labor situation at the world's fair. The giant international event has offered the UAE a key opportunity to burnish its credentials as a globalized place attractive to tourists and investors.

Foreigners outnumber locals nearly nine to one in the UAE. Undergirding the machinery of daily life is the country's labor sponsorship system, which employs millions of low-paid workers from Africa, the Middle East and Southeast Asia and has long drawn accusations of mistreatment for failing to ensure fair wages, hours and living conditions.

The Equidem report said the majority of workers interviewed were forced to pay illegal recruitment fees to get their jobs, often exceeding their monthly pay. Despite a ban on the practice at Expo and in the country, the report said many employers were aware that workers paid steep fees to recruiters in their home countries and did not reimburse them, creating a situation of debt bondage.

The Equidem report documented workers who were not provided with employment contracts or could not read them because they were not translated into their native language, as required by law.

Some received partial pay or had to wait over a week to receive their wages each month, which included their food allowance. Workers were frequently denied overtime pay, termination benefits and promised bonuses. Employers in some cases slashed salaries up to 75% as the pandemic battered the economy, workers alleged.

Most workers interviewed surrendered their passports to their employers and none of them could unconditionally retrieve them, despite Emirati laws that forbid companies from confiscating worker's identity documents.

Workers also said they were targets of discrimination, describing how their race dictated their treatment and duties on site.

"Asians are given the heavy work and less pay while the Europeans and Arabs are given lighter roles with lots of income," said one interviewee. "The Asians are the first to lose their jobs."

Racism remains a deeply rooted issue in the UAE, where slavery was not formally abolished until the 1960s and dark-skinned workers from Africa and South Asia routinely report receiving lower wages than their light-skinned colleagues today.

Expo workers told researchers that they feared reprisals, including dismissal and deportation from employers

and police if they spoke up about labor conditions and harassment, the report said. Forming unions and mobilizing for better treatment remains criminalized in the autocratic UAE.

With Dubai in the spotlight over the world fair that seeks to draw 25 million visits, authorities had promised to beef up efforts against the persistent practice of forced labor. Expo established guidelines laying out strong protections for worker rights. The UAE deploys company inspectors to ensure workers haven't been exploited.

Yet, none of the employers featured in the report appeared to be in compliance with the event's standards.

Washington's NFL team unveils new name as Commanders

(AP) - Washington's NFL team is now known as the Commanders.

The new name unveiled Wednesday comes 18 months after the once-storied franchise dropped its old moniker following decades of criticism that it was offensive to Native Americans and under fresh pressure from sponsors. The organization committed to avoiding Native American imagery in its rebrand after being called the Washington Football Team the past two seasons.

Washington is the latest American major professional team to abandon its name linked to Native Americans, and it was considered one of the most egregious.

Richard Sneed, principal chief of Eastern Band of Cherokee Indians based in Cherokee, North Carolina, has stressed Native Americans have more to worry about than names of sports teams, but said during the World Series that Washing-

ton was "the only name I felt was derogatory. Yeah, that's offensive. The rest of them never really bothered me and still don't bother me to this day."

While Major League Baseball's Cleveland Guardians have changed their name, the NFL's Kansas City Chiefs, NHL's Chicago Blackhawks and baseball's Atlanta Braves have said they are not planning to make a similar change.

Washington owner Dan Snyder is "excited" about the new change that pays "homage to our local roots and what it means to represent the nation's capital."

"As we kick off our 90th season, it is important for our organization and fans to pay tribute to our past traditions, history, legacy and the greats that came before us," Snyder said. "We continue to honor and represent the Burgundy and Gold while forging a pathway to a new era in Washington."

From 1932 until two seasons ago, Washington had used the name Redskins — which offended Native Americans and others.

As the Commanders, Washington keeps the same burgundy and gold colors that were around for the three Super Bowl championships in the 1980s and early '90s glory days. It follows the desire of team president Jason Wright and coach Ron Rivera for the new name to have a connection to the U.S. military.

Commanders was chosen over other finalists such as Red Hogs, Admirals and Presidents. Red Wolves, an initial fan favorite, was ruled out earlier in the process because of copyright and trademark hurdles.

The rebranding process had been going on since the summer of 2020, when team officials opted for the temporary Washington Football Team name that lingered into the 2021 season.

The change comes amid the organization's latest controversy: dozens of former employees describing a toxic workplace culture, which caused Snyder to commission an investigation that was taken over by the NFL. After the investigation by attorney Beth Wilkinson's firm, the league fined Washington \$10 million and Snyder temporarily ceded day-to-day operations of the team to his wife, Tanya, while he focused on a new stadium agreement.

The league did not release a written report of Wilkinson's

findings, a move that sparked criticism. The U.S. House of Representatives Committee on Oversight and Reform is holding a roundtable discussion Thursday with a handful of former team employees to discuss their experiences.

Getting a stadium deal done is next on the agenda for Snyder and his front office. The team's lease at FedEx Field expires after the 2027 season and momentum is building for an agreement in Virginia, though sites in Maryland and the District of Columbia are still under consideration.

Flores says he won't drop lawsuit even if hired as coach

(AP) - Brian Flores says his lawsuit against the NFL over alleged racist hiring practices will continue even if he becomes a head coach again this off-season.

Flores has interviewed with the Houston Texans and New Orleans Saints, who have yet to fill their coaching vacancies. If they call, Flores will listen, but he said the suit will go on because the league needs change.

Flores said he knows others have similar stories and that it is hard to speak out. He called his potential sacrifice bigger than football or coaching. The NFL is at a fork in

the road, he said.

Flores' lawsuit was filed Tuesday in Manhattan federal court. It is seeking class-action status and unspecified damages from the league, the Miami Dolphins, the Denver Broncos and the New York Giants, along with unidentified individuals.

The NFL, Dolphins, Broncos and Giants have denied Flores' accusations. In its statement, the NFL said it will defend "against these claims, which are without merit."

Flores, 40, was fired last month by Miami after leading the Dolphins to a 24-25 record over three years. They

went 9-8 in their second straight winning season, but failed to make the playoffs during his tenure.

According to the lawsuit, Dolphins owner Stephen Ross told Flores he would pay him \$100,000 for every loss during the coach's first season because he wanted the club to "tank" so it could get the draft's top pick.

The lawsuit alleged that Ross then pressured Flores to recruit a prominent quarterback in violation of the league's tampering rules. When Flores refused, he was cast as the "angry Black man" who is difficult to work with and was derided until he was fired, the suit said.

Flores said he had conversations with general manager Chris Grier that Ross was upset that Miami was compromising its draft position by winning too many games. Flores said he also talked repeatedly with Ross, who said the team didn't need to win right then and the coach was under contract.

"That's not something you make up," Flores said of

those conversations.

What drove Flores to file the lawsuit was a string of text messages with New England Patriots coach Bill Belichick three days before his scheduled Giants interview, leading Flores to believe Brian Daboll already had been chosen as the new coach.

Since the NFL implemented the Rooney Rule in 2003 to boost hiring of minority coaches, 27 of 127 head coaching jobs have gone to minorities. This year, white men have filled the first four of nine head coaching jobs.

The rule requires teams to interview at least two external minority candidates for general manager/executive of football operations positions, head coach and all coordinator roles. At least one of those interviews must be held in-person for any head coach or general manager opening.

Tony Dungy, a Pro Football Hall of Famer who was head coach of Tampa Bay and Indianapolis, told The Associated Press last month Rooney's goal with the rule was to slow the hiring process down and investigate different candi-

dates instead of simply interviewing a minority candidate before announcing a hire.

Teryl Austin, a senior assistant defensive coach with Pittsburgh with the NFL's lone Black head coach in Mike Tomlin, has been interviewed for 11 head coaching jobs without being hired. He talked to the AP in October about the NFL's hiring pipeline and said the interviews are "invaluable experiences" and that the rule gets Black candidates in front of owners.

Flores' lawsuit mentions Austin as someone who was "Never Given a Chance" among the coaches who have interviewed for head coaching jobs unsuccessfully.

Yes, Austin could tell when an interview was real or merely scratching the Rooney Rule box.

Flores said he understands this lawsuit may keep him from ever coaching again. He's being called the NFL's Rosa Parks in taking on the league's hiring practices, and Flores called that a humbling comparison.

Tom Brady retires after 22 seasons, 7 Super Bowl titles

(AP) — Tom Brady walked away from the NFL on his own terms, still at the top of his game.

Brady, the most successful quarterback in league history and one of the greatest champions in professional sports, has retired after winning seven Super Bowls and setting numerous passing records in an unprecedented 22-year career.

“This is difficult for me to write, but here it goes: I am not going to make that competitive commitment anymore,” Brady wrote in a

lengthy post on Instagram. “I have loved my NFL career, and now it is time to focus my time and energy on other things that require my attention.”

The 44-year-old Brady has long stated his desire to spend more time with his wife, supermodel Gisele Bündchen, and three children despite his unique ability to perform exceptionally well at an age when most athletes are way past their prime.

Brady goes out after leading the Tampa Bay Buccaneers to a Super Bowl title last season

and NFC South championship this season.

News of Brady’s pending retirement leaked Saturday but he said Monday night on his SiriusXM podcast he wasn’t ready to finalize his plans.

Brady thanked the Buccaneers organization, his teammates, ownership, general manager Jason Licht, coach Bruce Arians, his trainer Alex Guerrero, agents Don Yee and Steve Dubin and his family in his nine-page post. He didn’t mention the New England Patriots, where he spent his first 20 seasons and won six Super Bowls playing for Bill Belichick. But Brady thanked the Patriots and their fans on Twitter, saying: “I’m beyond grateful. Love you all.”

Brady said he’s still figuring out how he’ll spend his time, but he plans to be involved in his TB12 health and wellness company, Brady clothing line and NFT company.

“I know for sure I want to spend a lot of time giving to others and trying to enrich other people’s lives, just as so many have done for me,” he said.

Brady led the NFL in yards passing (5,316), touchdowns (43), completions (485) and attempts (719) in 2021, but the Buccaneers lost at home to the Los Angeles Rams in the divisional round.

Brady leaves as the career leader in yards passing (84,520) and TDs (624). He’s the only player to win more

than five Super Bowls and was MVP of the game five times.

Brady won three NFL MVP awards, was a first-team All-Pro three times and was selected to the Pro Bowl 15 times. He was 243-73 in his career in the regular season and 35-12 in the playoffs.

Brady went from 199th pick in the 2000 draft to replacing an injured Drew Bledsoe in 2001 and leading New England to a Super Bowl victory over the heavily favored Rams that season.

He led the Patriots to consecutive Super Bowl titles following the 2003-04 seasons. No team has since repeated as champions.

But New England wouldn’t win another one for a decade, twice losing to the New York Giants in the Super Bowl, including a 17-14 defeat on Feb. 3, 2008, that prevented the Patriots from completing a perfect season.

Brady earned his fourth ring after the 2014 season. Two years later, in the biggest Super Bowl comeback, he led the Patriots out of a 28-3 deficit in the third quarter against Atlanta to win in overtime for No. 5. Brady got his sixth championship when New England beat the Rams following the 2018 season.

He joined the Buccaneers in 2020 amid a pandemic, instantly transforming a franchise that hadn’t won a playoff game in 18 years. His buddy Rob Gronkowski

came out of retirement to join him and they helped the Buccaneers become the first team to play in a Super Bowl in its stadium.

Brady reached the playoffs 19 times, won 18 division titles, went 10-4 in conference championships and 7-3 in Super Bowls.

After starting his first game on Sept. 30, 2001, Brady was under center for every game except when he suffered a season-ending knee injury in Week 1 in 2008 and the first four games in 2016 when he sat out a suspension because of the deflated footballs scandal.

Known for his work ethic, intense exercise regimen and strict diet, Brady was better with age.

After turning 37, Brady won four Super Bowls and was 17-4 in the playoffs. He was 95-30, completed 65.2% of his passes for 35,371 yards, 265 TDs and 69 interceptions in the regular season in those eight seasons.

“I have always believed the sport of football is an ‘all-in’ proposition — if a 100% competitive commitment isn’t there, you won’t succeed, and success is what I love so much about our game,” Brady said. “There is a physical, mental, and emotional challenge every single day that has allowed me to maximize my highest potential. And I have tried my very best these past 22 years. There are no shortcuts to success on the field or in life.”

Shuster to become 1st curler to carry US flag at Olympics

(AP) — Before he throws a stone at the Beijing Games, John Shuster will become the first curler to carry the American flag in an Olympic opening ceremony.

That’s a big deal for a sport that’s becoming more popular in the United States thanks to Shuster’s Olympic exploits.

The defending gold medalist and five-time Olympian was elected by his fellow American athletes to lead the United States into the Bird’s Nest on Friday along with Brittany Bowe. Bowe, a three-time

Olympian, was the first runner-up and will walk in place of bobsledder Elana Meyers Taylor, who tested positive for COVID-19.

The announcement of the flag bearers came shortly after competition at the Beijing Olympics began Wednesday with the opening games of mixed doubles curling at the Ice Cube, the reconfigured venue where Michael Phelps won a record eight swimming gold medals at the Summer Olympics 14 years ago.

Chris Plys and Vicky Persinger finished off a big night overall for the Americans by

holding on to beat Olympic newcomer Australia 6-5 when Tahli Gill’s final stone whizzed past an American rock in the house.

Plys, an Olympic rookie who also is on the men’s team, participated in a video call earlier Wednesday during which Shuster was informed of the honor.

Shuster and the other members of the men’s team were in Los Angeles and are due in Beijing early Friday.

In a statement, Shuster called it “one of the greatest honors of my sporting career.”

Shuster won bronze in 2006 — the first-ever U.S. Olympic curling medal — as the lead for Pete Fenson’s team.

He left to form his own rink, earning a trip to Vancouver but performing so badly that he benched himself.
